2026 EBAL Call Times and Clerk Procedures

All athletes will need a purple participants wristband to gain access to the track and warm-up field.

Field events-Athletes can enter the gate 1 hour before their event is scheduled to start. They may enter through the athletes' gate individually and will not be ushered to their field event area. Athletes will check in at the event site. Athletes must be checked in 15 minutes prior to the start of the competition.

Track events-All calls are silent. Athletes may check in at any time, but priority will be given to those athletes in final call. Runners in races of 400m or less will receive 1 hip number from the clerk to be worn on the left hip. Runners in any race longer than 400m, including the 4x400m relay, will receive two hip numbers, for their left hip and chest. All relay members will receive hip numbers.
