Barber Greg's Bondage Barber MIR 2026 Reservations

I have 24 years of professional barbering experience and over twenty years of publishing and catering to the haircut fetish community. I've been bringing my fetish haircut experience to the community since 2013 at venues like Cell Block and events like MIR. I do a variety of haircuts and can provide a range of experiences; firm/rough, sensual, pet/little, energy/connection. I love shearing down mops of hair, human pets, and also specialize in alternative/punk and military styles. I especially like short haircuts with long bangs, tails, high & tights.

I am scheduling a limited number of reservations each day, with remaining time left available for same-day signups. Making a reservation is not necessary, but it will ensure you get your preferred time, especially if you are only attending one day or have a busy schedule. Think of it as being like a "fast pass" at a theme park.

To Make a reservation:

1. Send a message to 872-222-7237 (872-2-BARBER)
2. Include your name, which service you want, which time(s) are suitable for you, and how you would like to pay the reservation fee.
3. I will respond within the day and confirm your time, and arrange payment via **Venmo, Zelle, or PayPal.**
4. The reservation policy is below.

Reservation Policy:

I do my best to stay close to the schedule, however, you must allow extra time. If you are available early, I recommend checking in with me early, maybe we can get started then. Please be sure to introduce yourself when you arrive; There are always people hanging around/watching that aren't waiting, so I probably won't know that you're waiting for me until you introduce yourself.

If you miss your reservation, whenever possible, I will attempt to contact and accommodate you. Please contact me 872-222-7237 (USA-2-BARBER) as soon as you can if you are running late or will miss your reservation. If you're not present at your reserved time and I cannot reach you I might start someone else, and should be able to get to you next.

A full refund of the reservation fee will be available if canceled at least 48 hours in advance. **The reservation fee is in addition to the cost of the service**, which will be paid for during your visit.
