📄 Privacy Policy — *FocusCircle*

Last updated: 31/03/2026

Thank you for using **FocusCircle**. This Privacy Policy explains how we handle information when you use our mobile application.

🔹 1. Information We Collect

1.1. Personal Information

FocusCircle **does not collect, store, or request any personally identifiable information** from users.

1.2. Automatically Collected Information

The app itself does not collect any data.

However, third-party services used within the app (such as Google AdMob) may automatically collect certain information for advertising purposes.

This may include:

- Device advertising identifiers
- Device information (model, operating system, language)
- Interaction data related to ads

All data is processed directly by Google according to their own privacy practices.

🔹 2. Third-Party Services

Google AdMob (Advertising)

FocusCircle uses Google AdMob to display ads within the app.

AdMob may collect data to:

- Serve personalized or non-personalized ads
- Measure ad performance
- Prevent fraudulent activity

You can review Google's Privacy Policy here:

https://policies.google.com/privacy

If you are located in the European Economic Area (EEA), Google will request your consent for personalized ads in compliance with GDPR.

🔹 3. How We Use the Information

Any information collected by third-party services is used solely for:

- Displaying ads
- Improving the quality and security of advertising services

FocusCircle **does not use or process this data for any other purpose**.

🔹 4. Information Sharing

FocusCircle **does not share any information with third parties**.

All data processing is handled exclusively by Google AdMob under their own policies.

🔹 5. Data Security

Although FocusCircle does not collect personal data, third-party services implement security measures to protect the information they process.

Data Retention

Our application does not collect, store, or process any personal data that can identify the user.

The app may temporarily process non-personal, technical information strictly necessary for its functionality (such as device settings or in-app preferences), but this information remains on the user's device and is never transmitted to our servers.

Because we do not store personal data on external servers, there is no long-term data retention.

Data Deletion

Since no personal data is collected or stored by the application, there is no personal information to delete from our systems.

Users may delete all locally stored app data at any time by:

- Uninstalling the application from their device, which removes all app-related data, or

- Clearing the app's data/cache through their device settings.

If users have any questions regarding data removal, they may contact us at:

ivaortmun90@gmail.com

User Accounts

The application does not create user accounts, does not require registration, and does not store any account-related information.

🔹 6. Children’s Privacy

FocusCircle is **not intended for children under the age of 13**.

We do not knowingly collect personal information from children.

🔹 7. Changes to This Privacy Policy

We may update this Privacy Policy from time to time.

Any changes will be posted on this page or within the application.
