Anna MacIntosh Junior Investigator Research Fellowship Application

Grant Provided by: **NPLEX**

Naturopathic Medical Student Association (NMSA), a nonprofit organization established for the purpose of supporting the success of naturopathic students, is proud to announce **the Anna MacIntosh Junior Investigator Research Fellowship of the year 2022** for naturopathic medical students and recent graduates.

Please follow directions below (incomplete applications may be rejected):

1. Please submit your **application** as an email attachment to secretary@naturopathicstudent.org
2. **Obtain a copy of your transcripts** from your school or a statement that you have completed a full year of your ND program and are a student in good standing from your program's academic office. If you are a recent graduate (within the last 24 months), a copy of your diploma will substitute.
3. Follow the directions in the description and refer to the checklist at the end of this document.

Please submit your questions to secretary@naturopathicstudents.org.

Applications and attachments must be received by 11:59 PM PDT on **December 31st, 2021** to be considered *unless otherwise noted or announced.*

Selection Timeline:

- All applications will be carefully reviewed by a scientific review committee.
- Finalists may be contacted by the scientific review committee for additional information.
- **Recipients will be announced at the end of January following review by the NMSA Executive Committee.**
- This fellowship will begin **February 1st, 2022** and end **January 31st, 2023.**
