Coweta County School System

Coweta Committed to Student Success

August 2, 2023

Dear Parents,

One of our school system's belief statements says that "We believe the Coweta County School System, in partnership with the family and the community, must focus on providing rigorous, engaging, and relevant work for a diverse student population." Our goal as we live out this belief statement is to continue to partner with you and to remain transparent with you regarding all matters relating to the education of your children. In an attempt to live out this belief statement we believe that it is important to provide parents the opportunity to determine whether any specific book(s) from CCSS media centers should not be accessed by their children. Please indicate below the title of any book(s) in your child's school or media center that you do not wish for your child to access. Once you have completed this form please return it to the Media Specialist at your child's school. Please contact the Media Specialist or Principal at your child's school if you have any questions.

Please do not allow my child to check out the following books from CCSS Media Center:

Book Title	Publication Date (If known)	Author (If known)

Please return this form to the Media Specialist at your child's school by August 16, 2023.
