WeirdAnt: The Biggest Degenerate I've Ever Met

Precautions

LAST UPDATED: 8/10/2026

Hello hello! Thank you for taking time out of your day to look at this document. Before showing what I'm about to discuss, I would like to provide trigger warnings for the following:

- Grooming
- Blackmail
- Sexual abuse
- Mental abuse
- Alcoholism
- Drug use
- Suicide
- Self harm

This document will have accusations backed up with evidence. The Honorable Mentions are accusations that cannot be completely backed up, but I believe are still important to mention due to other pieces of evidence. Also things that I just find very ironic.

If you are sensitive to any of these, please proceed with caution. Thank you so much once again for taking a peek. ♡

(Small) Background

WeirdAnt, otherwise known as Anthony Luis Rodriguez, Lapis, or Azure, was born on 8/14/2006. We first got together on 3/21/2024. From what I've been told by him and others, he was raised in an abusive household. He eventually dropped out of high school during late 2024 or early 2025, the reason is unclear as to why he made this decision. Additionally, he *never* told me about this. Instead, a friend of his had to tell me. He's started drinking as a way to cope with his issues about a year into our relationship. He also refuses to solve his own issues and instead resorts to weed or leeching off of

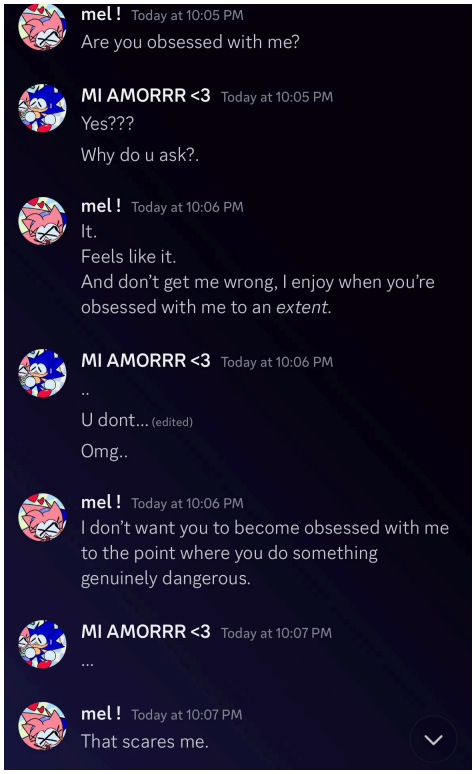
others for attention. He continues to do this despite being completely independent by living alone in Somerset Kentucky, paying bills and working at McDonalds.

2024

WeirdAnt, otherwise known as Anthony Luis Rodriguez, Lapis, or Azure, got into a relationship with me on 3/21/2024 while I was sixteen (2/13/2008) and he was seventeen (8/14/2006). Things seemed pretty normal for a relationship until he got very controlling within a day after we started dating. For the entirety of this document, I will simply refer to him as Anthony.

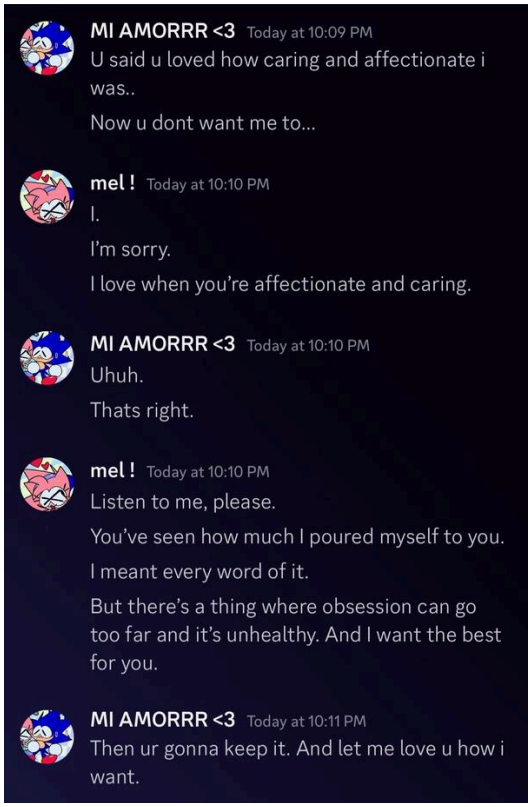
3/25/2024

Anthony ran away from home. I don't clearly remember the reason, but I believe it was because he got his phone taken away by his dad. He was **extremely** obsessed with me at the time. He called me after running away, and I was highly concerned for his safety for a number of reasons. He did this without a plan, which can bring a huge number of risks for your wellbeing. Another reason being is that he was just being plain reckless. We got on a call during this situation. I barely spoke purely because I was worried and in shock from what was going on. After I hung up, I asked him: "Are you obsessed with me?" Things went downhill from there, so I had a panic attack due to how he handled the situation.



mel ! Today at 10:05 PM
Are you obsessed with me?
MI AMORRR <3 Today at 10:05 PM
Yes???
Why do u ask?.
mel ! Today at 10:06 PM
It.
Feels like it.
And don't get me wrong, I enjoy when you're obsessed with me to an *extent*.
MI AMORRR <3 Today at 10:06 PM
..
U dont... (edited)
Omg..
mel ! Today at 10:06 PM
I don't want you to become obsessed with me to the point where you do something genuinely dangerous.
MI AMORRR <3 Today at 10:07 PM
...
mel ! Today at 10:07 PM
That scares me.

MI AMORRR <3 Today at 10:08 PM
Unappreciated this whole night.
Ive done sm for u.
mel ! Today at 10:08 PM
..
Luis.
I appreciate you.
MI AMORRR <3 Today at 10:08 PM
U...
mel ! Today at 10:08 PM
I really do.
But.
MI AMORRR <3 Today at 10:09 PM
You... dont want me.
mel ! Today at 10:09 PM
Of course I do.
Stop saying that.
MI AMORRR <3 Today at 10:09 PM
Then stop fucking telling me to stop being obsessed.



MI AMORRR <3 Today at 10:09 PM
U said u loved how caring and affectionate i was..
Now u dont want me to...
mel ! Today at 10:10 PM
I.
I'm sorry.
I love when you're affectionate and caring.
MI AMORRR <3 Today at 10:10 PM
Uhuh.
Thats right.
mel ! Today at 10:10 PM
Listen to me, please.
You've seen how much I poured myself to you.
I meant every word of it.
But there's a thing where obsession can go too far and it's unhealthy. And I want the best for you.
MI AMORRR <3 Today at 10:11 PM
Then ur gonna keep it. And let me love u how i want.

4/1/2024

From what I can recall, I was hanging out with some friends. Anthony told me that he didn’t enjoy seeing me happy with other people, which is a huge red flag. I tried my best to empathize with him and treat him with kindness, since that is what I always try my best to do for others. He wanted me to relapse into my previous toxic habits that I had healed from long ago. After that, he basically told me I did not have a right to say no.

Honestly, no amount of context could redeem this.

No comment.

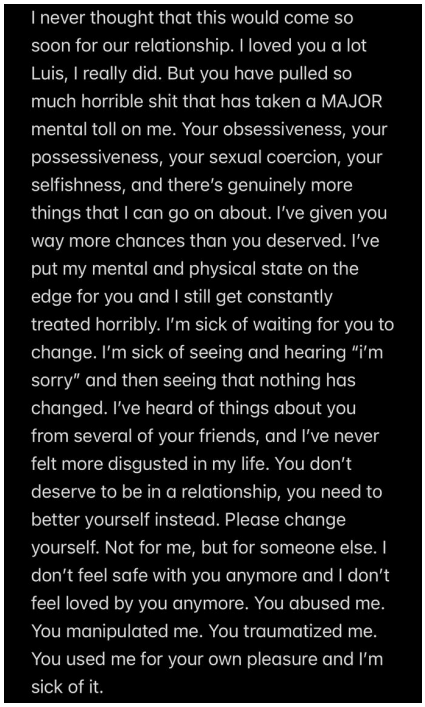
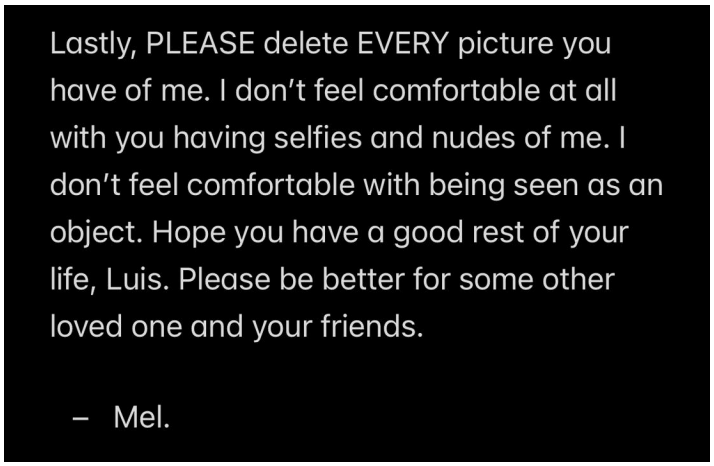
This was the first time I tried breaking up with him. After sending him the paragraph, I immediately blocked him. Instead of accepting this, he proceeded to harass me by making an entirely new account to talk to me. I have NEVER been treated this way before during this time, so I had no idea how to handle it. I was still grieving our breakup as well, so this took advantage of my vulnerability in hopes that our relationship would work out.



I never thought that this would come so soon for our relationship. I loved you a lot Luis, I really did. But you have pulled so much horrible shit that has taken a MAJOR mental toll on me. Your obsessiveness, your possessiveness, your sexual coercion, your selfishness, and there's genuinely more things that I can go on about. I've given you way more chances than you deserved. I've put my mental and physical state on the edge for you and I still get constantly treated horribly. I'm sick of waiting for you to change. I'm sick of seeing and hearing "i'm sorry" and then seeing that nothing has changed. I've heard of things about you from several of your friends, and I've never felt more disgusted in my life. You don't deserve to be in a relationship, you need to better yourself instead. Please change yourself. Not for me, but for someone else. I don't feel safe with you anymore and I don't feel loved by you anymore. You abused me. You manipulated me. You traumatized me. You used me for your own pleasure and I'm sick of it.



Lastly, PLEASE delete EVERY picture you have of me. I don't feel comfortable at all with you having selfies and nudes of me. I don't feel comfortable with being seen as an object. Hope you have a good rest of your life, Luis. Please be better for some other loved one and your friends.

– Mel.

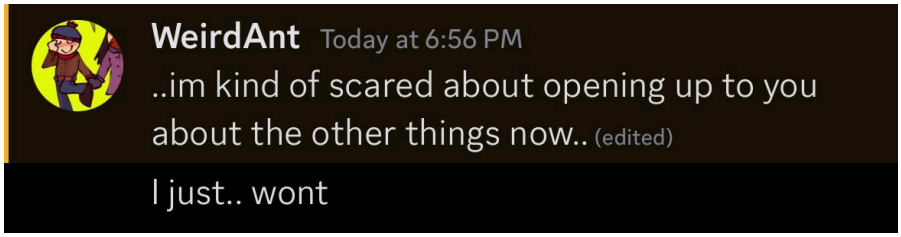
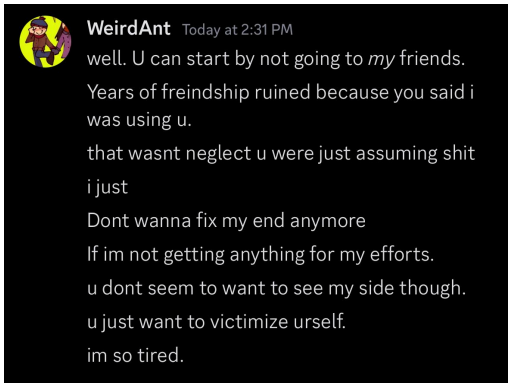
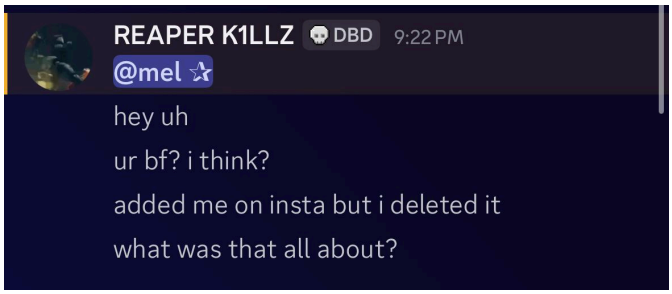
I spoke up about Anthony's abusive behavior to his friends. I did not force them to kick him out of the group, it was a collective agreement between them. According to them, he's behaved in such ways before, and they were devastated to see that he's never changed. Anthony proceeded to respond to this by blaming me for **his** actions.

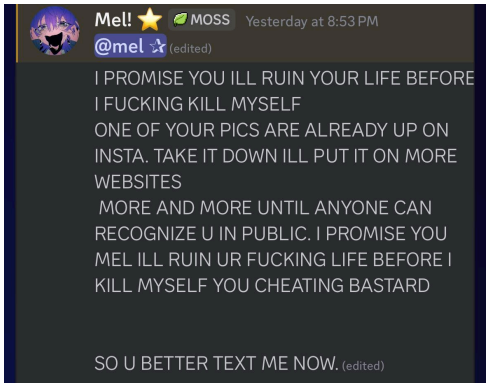


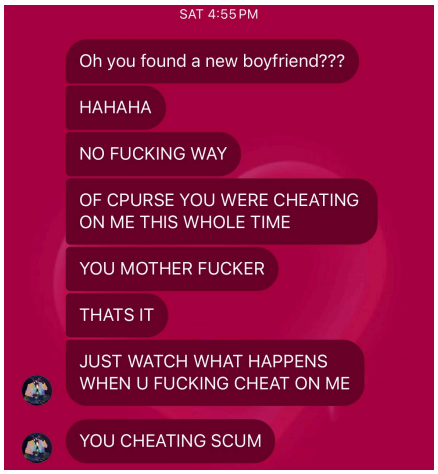


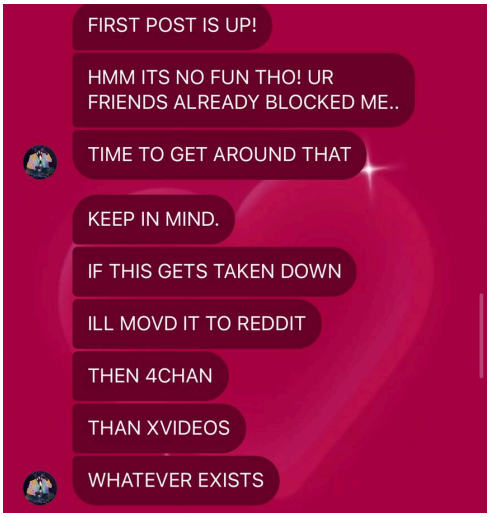
7/18/2024 to 7/20/2024

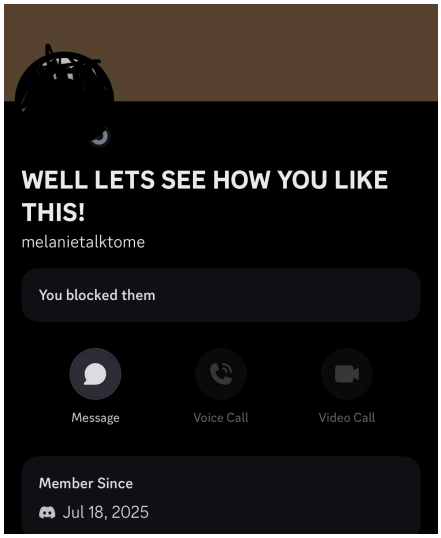
I attempted to break things off with Anthony again. As expected, he did not react well at all. He responded by attempting to leak my nudes to my friends via Instagram. He made a post of me that was partially nude, but he deleted it before I got to screenshot it. He tried to “be me” as well for some reason?? Lastly, he decided to apologize as if blackmail isn’t a serious thing.











WELL LETS SEE HOW YOU LIKE THIS!

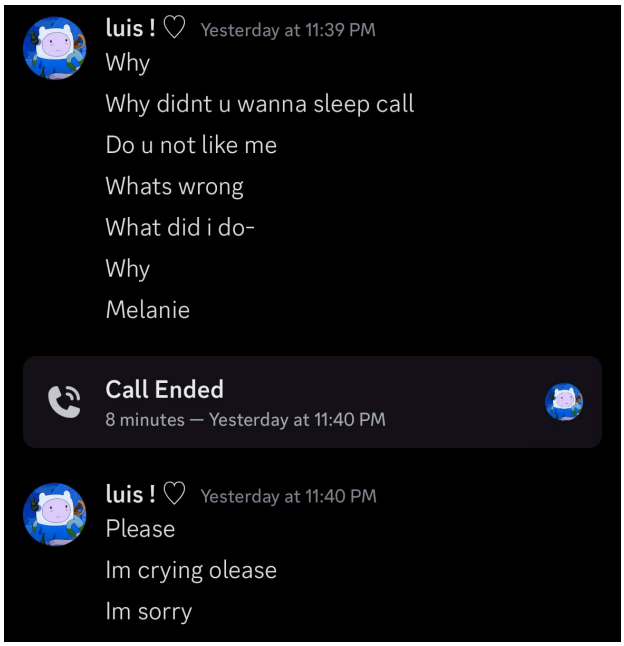
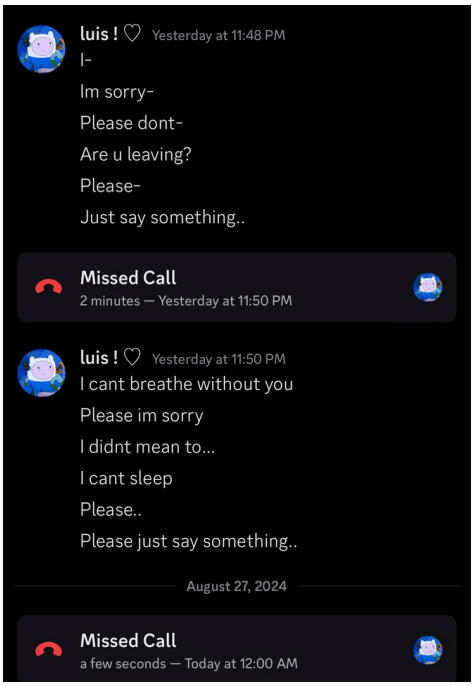
Anthony asked to sleep on call with me. I said no. I don't recall the reason as to why I did, but I was either in a bad mood or simply didn't want to do that. Either way, it is still weird he was **this** attached to me over a sleep call.





November of 2024

I don't remember on what exact day this started. But it went on for a while. Personal issues occurred, and my parents attempted to intervene with our relationship. Anthony responded by harassing me on **EVERY** platform he could find me on. **<u>DO NOT TRY</u>**

<u>CONTACTING THE NUMBER!! He recently changed it.</u>

Around this time, me and Anthony weren't together. He *planned* on threatening me on my birthday so we could get back together. He acted nice at first, then started the threats once I blocked the first account.

Late 2025

From there to Late 2025, Anthony continued on with his manipulation tactics. I was unfortunately too naive to fully comprehend that he's completely irredeemable as a human being. Nothing much truly happened. In October 2025, I went on a hiatus from the internet for 2 months after personal issues happened. During this time, I took an immense amount of therapy after everything that happened between me and Anthony. That was when I realized that there was no hope for our relationship at all, so I blocked him immediately after returning to the internet. As expected… he reacted this way.

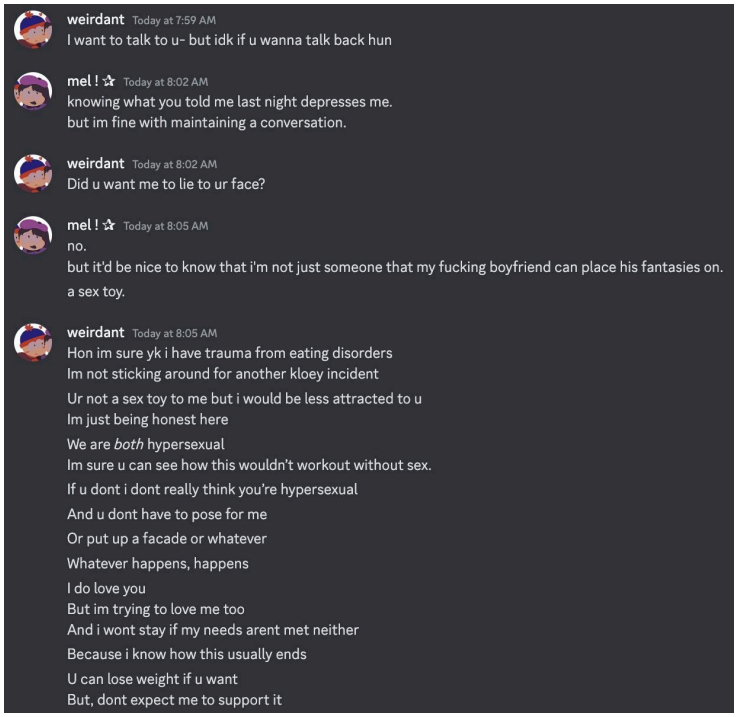
Kloey

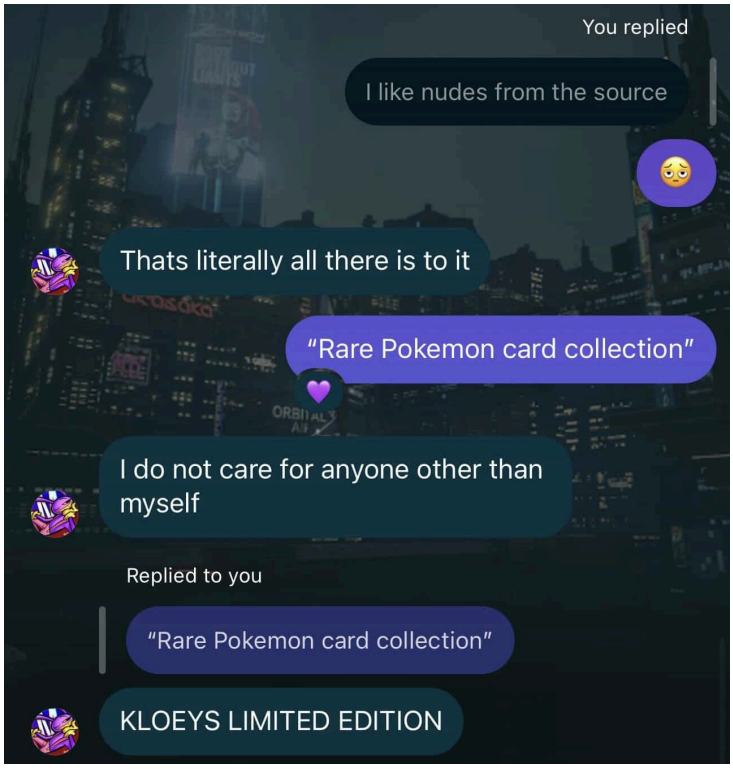
This will be an entire section due to how drastic the situation is. Kloey was Anthony's friend back in high school, I'd say around freshman to late junior(?) year, meaning that she was a minor. This detail is important for later. I unfortunately do not have any screenshots to back up this portion. He told me the entire story over call, so this is all I can remember. He told me that she had a crush on him, but he never reciprocated the

same feelings. One night, she sent him nudes and fresh pictures of self harm. He responded by calling her pathetic and other horrible things. After that, she cut off all contact with him. She deleted her number, social media accounts, and nobody ever saw her again. I don't have any official confirmation, but we can unfortunately come to the conclusion that she's most likely dead.

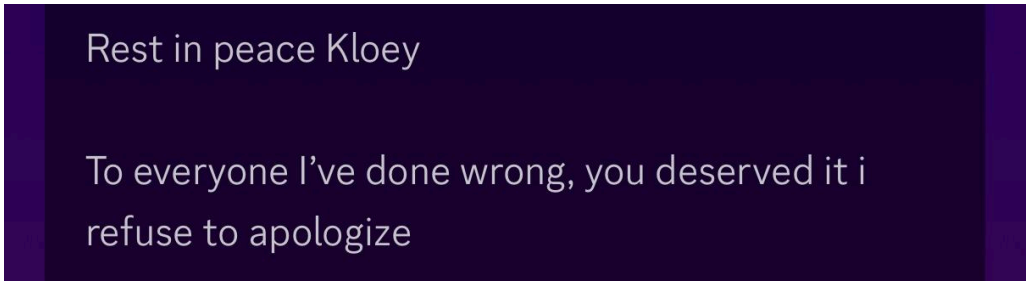
You would've expected him to respect her dignity, but he does the exact opposite. He proceeded to brag about having her nudes and blatantly disrespect her.

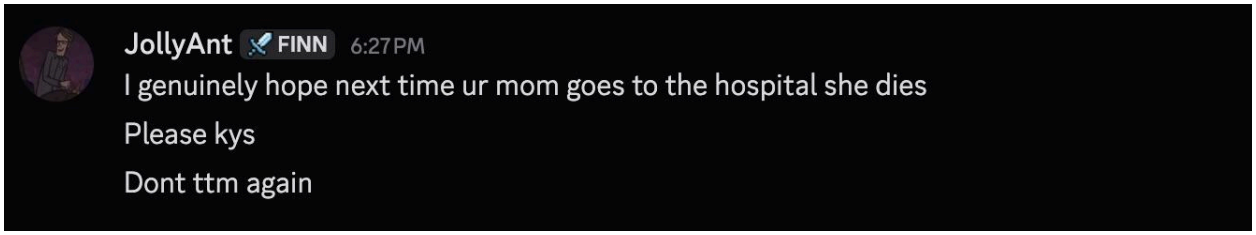


"Another Kloey incident" is insanely disrespectful. Saying this reduces her death to a simple accident. He's making it sound like she was problematic, when she really wasn't.



Please pardon me if my tone sounds slightly unserious for this, but I genuinely don’t have any words that AREN’T rage for this. “I like nudes from the source”?? So you like nudes from dead people? Dead minors?? What does that even mean? Just from these screenshots alone, it feels like he only remembers her for sexual purposes, which deeply sickens me.





Its ironic how he's wishing "peace" for an innocent woman who committed suicide because of HIM, and yet he's wishing the exact same fate for others.

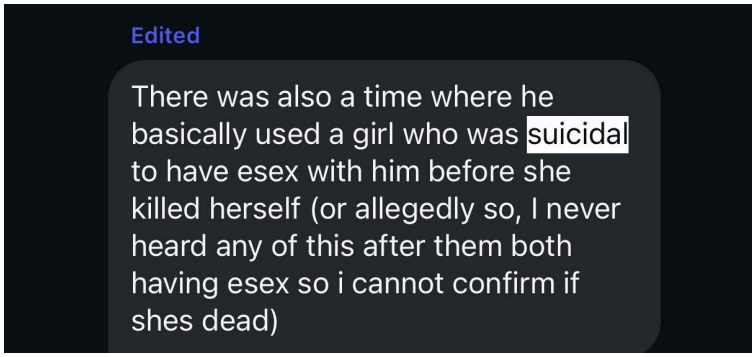
In Anthony's words: Kloey was a sweet girl who would sit next to people and talk to them about life. From an anonymous person, Kloey gave her a cookie once. She barely got to live out life, and it breaks my heart that Anthony treated her so horribly. I am aware that I did not know her at all. But as someone who's struggled with suicidal thoughts, this sinks my heart to the deepest core imaginable. If Kloey is still out there, I hope she is healing well. If not, Rest in Peace.

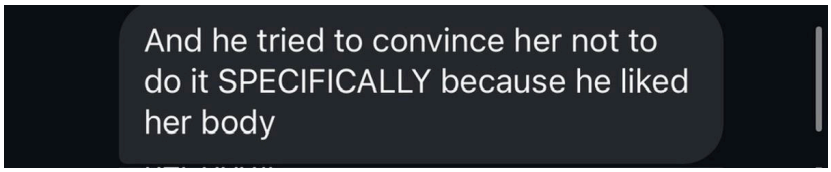
Honorable Mentions

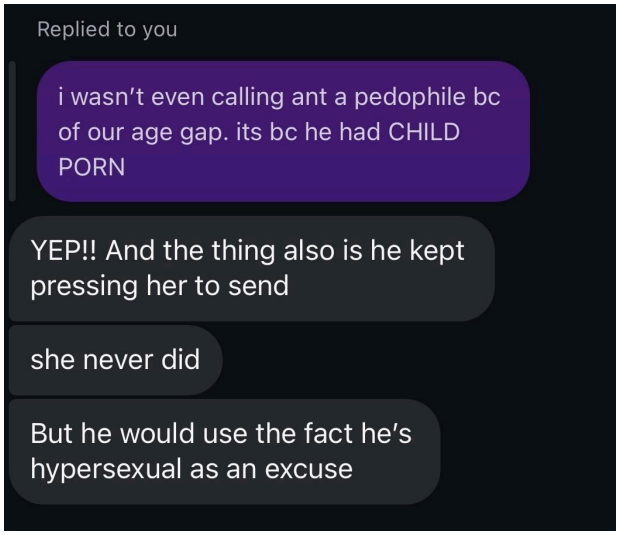
You may be wondering: Mel, why decide to publish this document now?

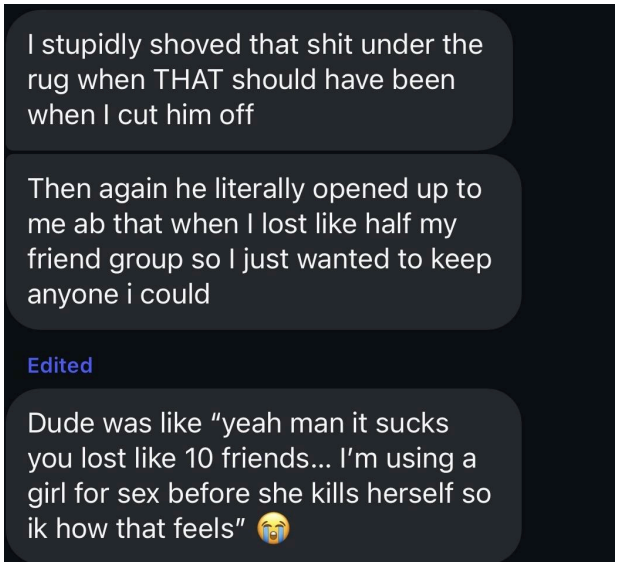
That’s because he has shown no signs of changing. He continues to defend his horrible actions despite acting like he’s sorry. He has not only treated me horribly, but is generally just a hazard to others. For this section, I will try to provide as MUCH context as I can. Please bear with me.

Allegations from Anonymous:

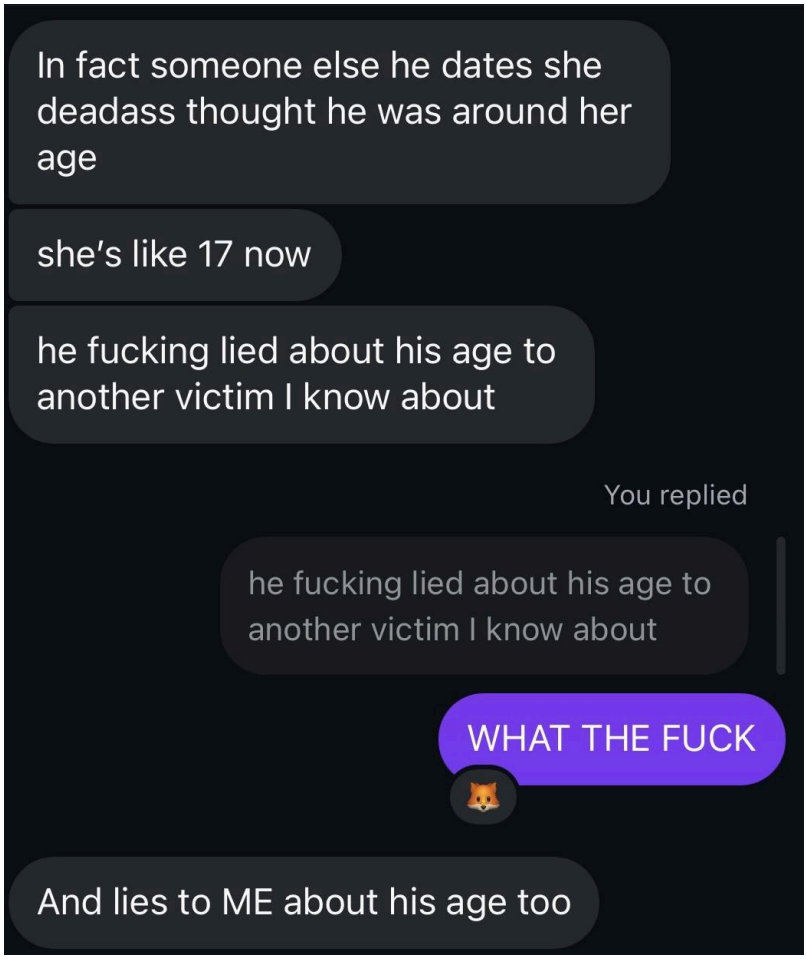








I stupidly shoved that shit under the rug when THAT should have been when I cut him off
Then again he literally opened up to me ab that when I lost like half my friend group so I just wanted to keep anyone i could
Edited
Dude was like “yeah man it sucks you lost like 10 friends... I’m using a girl for sex before she kills herself so ik how that feels” 😭



In fact someone else he dates she deadass thought he was around her age
she’s like 17 now
he fucking lied about his age to another victim I know about
You replied
he fucking lied about his age to another victim I know about
WHAT THE FUCK
And lies to ME about his age too

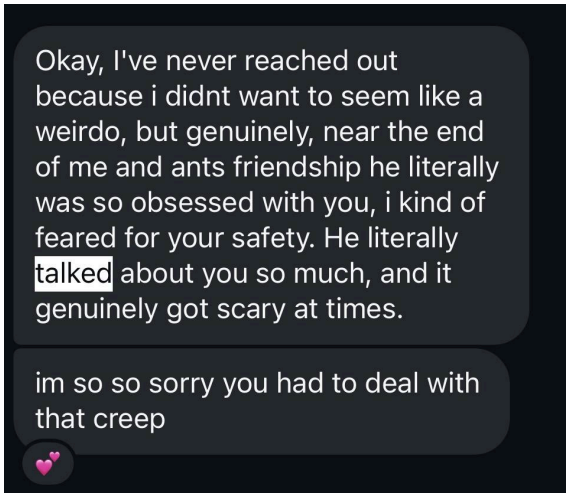
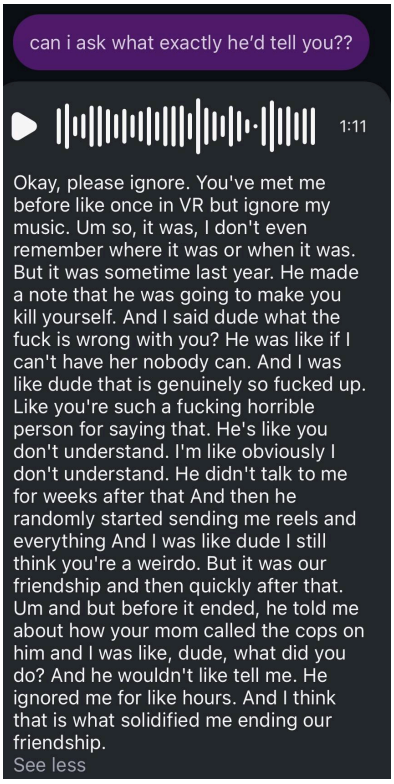
Allegations from Anonymous 2:

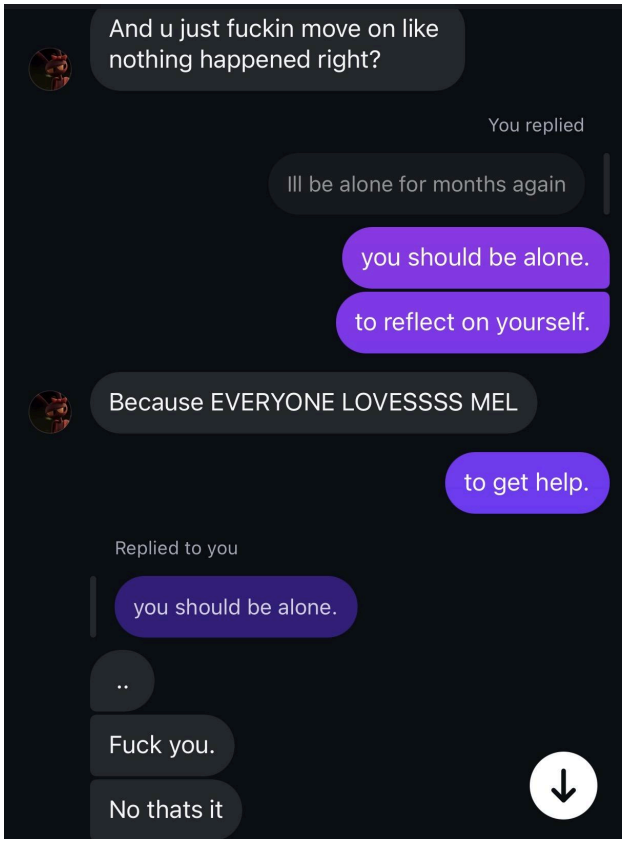


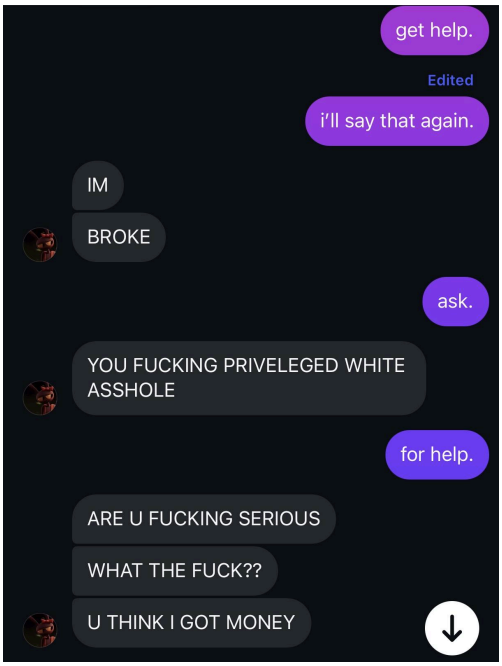


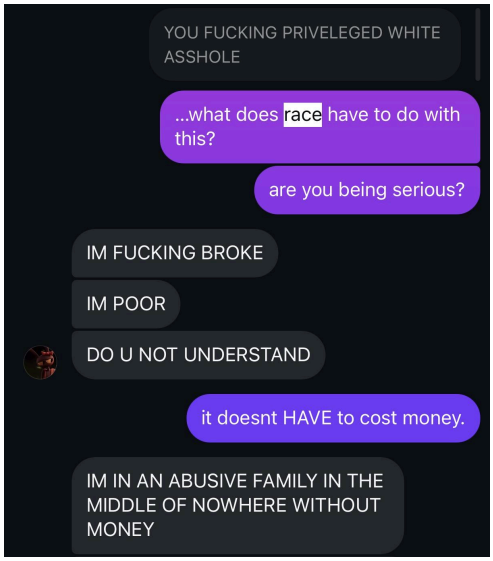
Abusive allegations from former roommate:

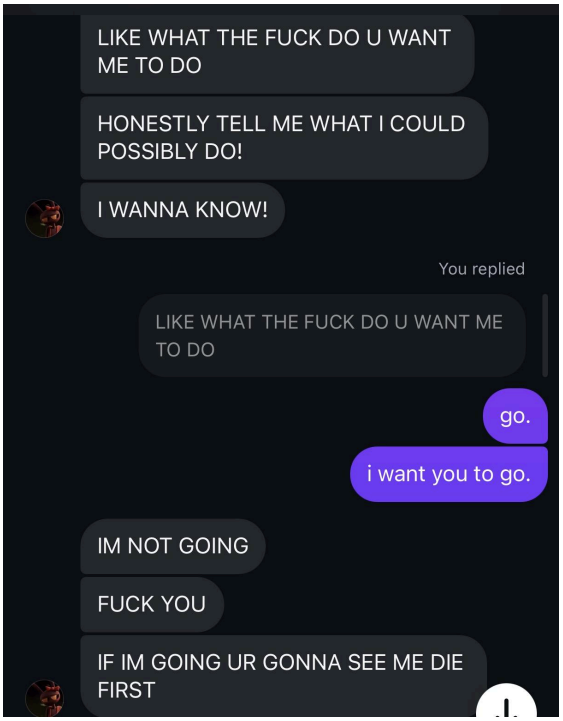
General Outrageous Things

Brought up race for some reason when I told him to help himself in various ways.

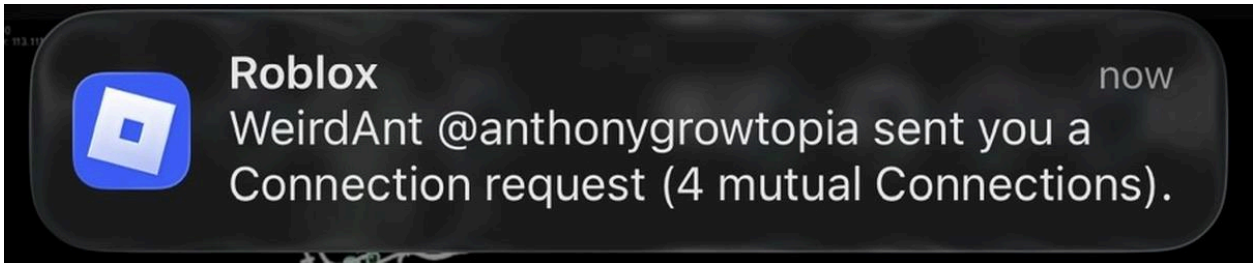




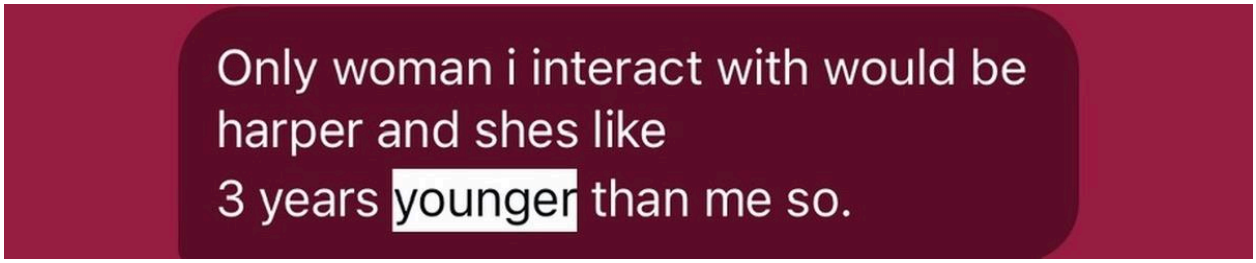




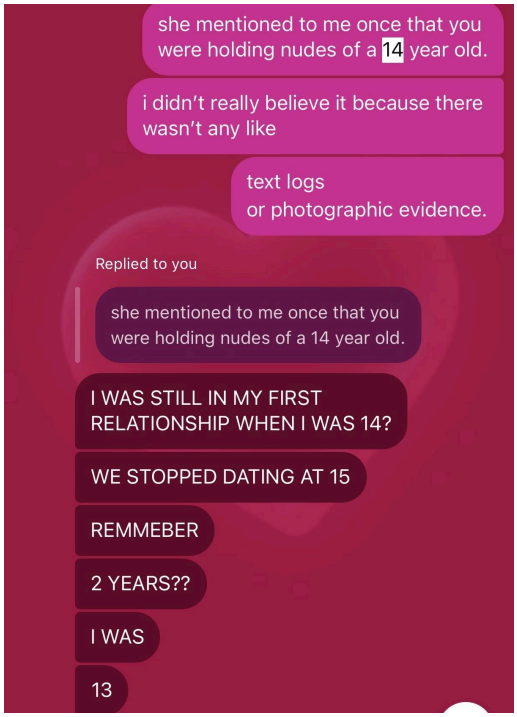
Adding me on Roblox on Valentines Day (this year)? 😭



His “homegirl” is 3 years younger, which is highly concerning considering everything I’ve covered. The age gap WOULD be okay with me if he wasn’t a complete weirdo towards women.



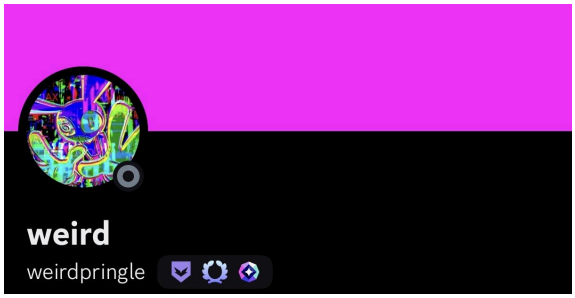
Anthony was facing pedo allegations almost a year ago because of having nudes of a 14 year old. I had no idea about this until somebody brought it up to me, but they showed me no proof, so I didn't think much of it during the moment. I asked him about this. The reason why I am including this is because of the fact that he did not deny it. Instead, he proceeds to justify having them because they were the same age at the time. There is no excuse that you're having nudes of several minors when you're pushing 20.

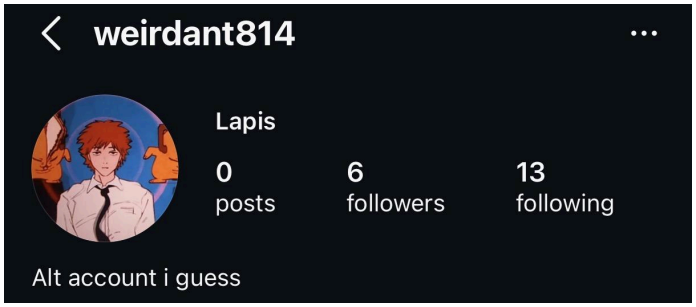


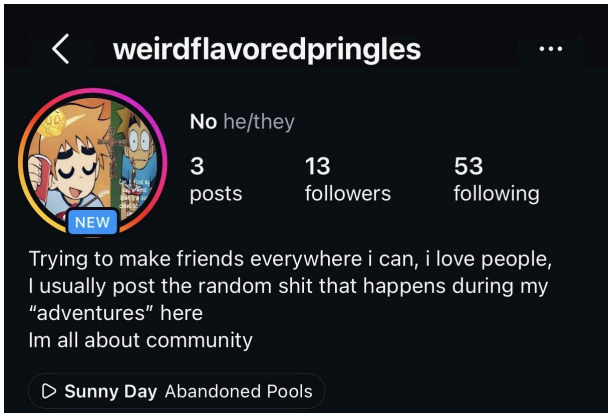
Closure

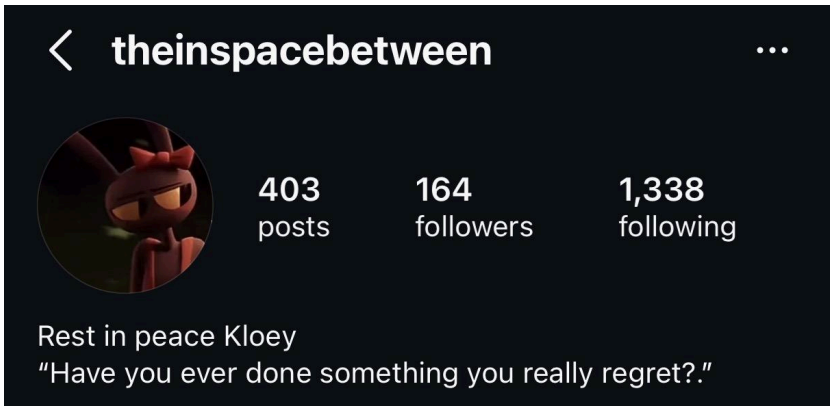
I do want to mention, he's changed all of his usernames as of writing this. If you see either of these accounts, I do not recommend interacting with him. Simply block and report.

NOTE (8/10/2026): I got his thespaceinbetween account banned about a month ago, but he now has a new one. If you see the weirdflavoredpringles account, please do NOT interact. Thank you.









Thanks so much once more for looking at this document. It's almost 3am as of publishing this, and it's my first time making a document on someone. I apologize if it's messy. If needed, more screenshots will be added. If you’d like to chat regarding this, you can contact me.
