Install Student Lounge Printers (Pocatello)

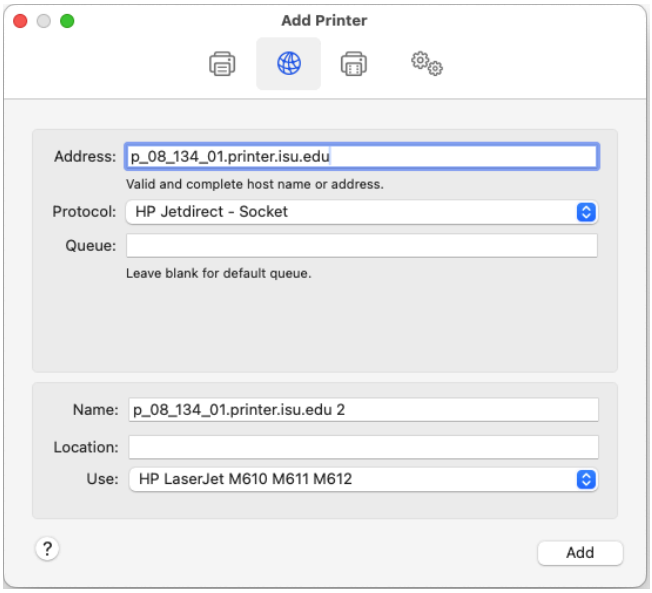
1. (NOTE: You can install the printer with Generic PCL Drivers. If you do this instead of the driver please after installing the printer go into Options and Supplies on the printer and choose the Options tab and enable Duplex Printing) Download the following software: https://drive.google.com/file/d/1CuLOUfcYuKs6ghL50-YJKqCnkWncE68U/view?usp=drive_link
    - Open the file
    - Double click HewlettPackardPrintDrivers.pkg
    - Select Continue twice and agree the terms
    - Once the software is done select Done.

2. Open System Settings
    - Click the Apple menu (n) in the top-left corner and select System Settings.

3. Go to Printers & Scanners
    - In the left sidebar, scroll down and click Printers & Scanners.

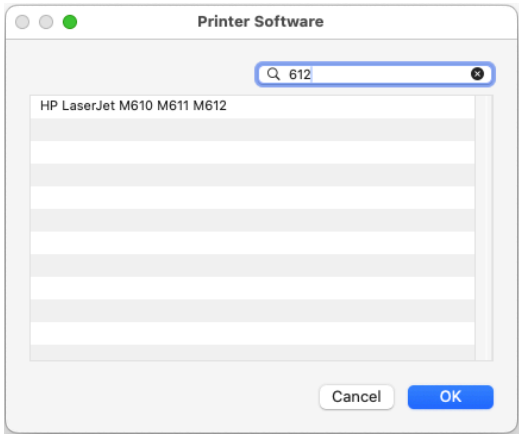
4. Add a New Printer
    - Click Add Printer… (might be the "+" button) in the lower-right corner of the printers list.

5. Switch to the IP Tab
    - In the Add Printer window, select the IP tab at the top.



6. Enter the Printer's Hostname
    - Address: **p_08_134_01.printer.isu.edu** (Printer 1), **p_08_134_02.printer.isu.edu** (Printer 2 the second time we do this).
    - Protocol: Choose **HP Jetdirect -- Socket**
    - Queue: Leave blank
    - Name: Give it a friendly label, e.g., Pocatello Student Printer 1
    - Use: Select the correct printer driver from Select Software supported.

        - Type in 608 in the search bar and select HP LaserJet 607 M607 M608 M609 and click OK



7. Please repeat instructions 4-7 to add printer 2.
