Motivation Statement

- *Why do you want to take part in a mobility experience in South Korea, and why Koreatech specifically?*
- *What do you hope to learn academically, professionally, or personally?*
- *How do you think this experience will support your progress as an engineering student?*
- *Have you ever lived or traveled abroad? If yes, describe it briefly.*
- *What challenges do you think you might face (language, daily life, teaching methods)? How do you plan to prepare for them?*
