AP Exams 2026

High school students will be taking AP Exams during May 4-14th this Spring. They should arrive at their testing location 30 mins before the exam begins. All testing will be done on site, and students must find their own transportation home for afternoon exams. Students with IEP/504 accommodation will be told by administration where to test if applicable. Students need to bring charged Chromebooks and their CollegeBoard logins.

The schedule is as follows.
Please direct questions to Mr. Mattice at amattice@bscsd.org or (518) 884-7150 x2354.
