August 5, 2022

Dear Sheridan High School students,

We are looking forward to seeing you all back in the building very soon, and we are looking forward to a great school year. The staff has been working very hard to prepare for your arrival on Monday, August 15. Our goal is to provide a learning culture where all students and all adults can be successful, and it will take us all pulling together to make this happen. I am asking each of us - all students and all adults - to commit to that vision. We have compiled some information below that is pertinent to having a great school year.

Open House is scheduled for Thursday, August 11. We will have a special orientation for our 9th grade students and families from 6:00 - 6:30 in Yellowjacket Arena. Open House for all students will take place from 6:30 to 7:30. You will have the opportunity to find your classrooms, meet your teachers, and pick up your schedule if needed. We are also providing hot dogs, chips, and water at no cost to welcome you all back to school.

Student Schedules:

Please follow district social media for updates regarding the availability of student schedules. Students may also pick up their schedules at Open House if not picked up prior to August 11. Any schedule changes will begin on August 15. No changes will be made at Open House. A change of schedule form will be needed for any change.

Student Parking:
Student parking will be available in the parking lot in front of the auditorium, on the visitors' side of the stadium, near the practice field, or on the home side of the stadium. Also, this year, there will be student parking in a designated area in the Arena parking lot. Student parking will be further away from the arena designated by a painted line.

All students who drive to campus must purchase a parking pass. Parking passes can be purchased in the school office Wednesday-Friday, August 3-5 and August 10-12, from 8:00 AM - 3:30 PM. Students must bring their driver's license and vehicle registration. The cost is $10; students can pay with cash (exact change) or a card. Students will also be able to purchase parking passes once school starts.

Morning arrivals:

Car riders are to be dropped off in front of the arena in the car drop-off line. Please pull all the way down the sidewalk so we can accommodate as many cars as possible to drop off students.

When students arrive on campus in the morning, they will report to the cafeteria or main high school lobby. Students will not be allowed to stay in their car this year.

The first bell rings at 7:54 AM; the tardy bell rings at 8:00 AM.

On the first day of school, students will report to their advisory class when the bell rings to get their schedules and other information. Students will also attend the first day celebration with their advisory class.

Lunch information:

All 9th graders should have 1st Lunch. 10th-12th graders will have either B or C Lunch and will be determined by their 5th period teacher's lunch.

1. A Lunch – 11:18-11:48
2. B Lunch – 12:08-12:38
3. C Lunch – 12:58-1:28

More information will be shared with you during the first week of school, but if you have any questions, please feel free to reach out to us. The district theme this year is “Stronger Together” and this means that all of us - faculty, staff, students, parents, and community - must work together to make Sheridan High School the best school it can be.

We look forward to seeing you at Open House on August 11 and then the first day of school on August 15.

Sincerely,

Dr. Blaine Alexander, Principal

“Stronger Together”
