Please follow the below format (structure, font, font size, and spacing) for submission of the extended abstract (word limit – approx. 1000 excluding tables/figures/charts)-

Title of the study (Word Limit - 15 words**)**

Authors Details (the corresponding author should be marked *)

Authors Affiliations with Contact Details

Keywords: (Provide author keywords; not more than 5)

1. **Introduction:**

1. Provide a brief background of the topic
2. Discuss the problem statements
3. Highlight the novelty/originality

0. **Objectives:**

1. Provide the objectives of your study addressing the problem statements
2. Briefly discuss the significance of the study

0. **Materials & Methods/ Methodology:**

1. Discuss in the brief the adopted methodology, materials, and tools used
2. Establish the experimental design if any
3. Provide an overview of the data collection and analysis methods if needed

0. **Results and Discussion:**

1. Present and discuss the key findings of your research study
2. Complement your findings using tables/ figures/ charts, etc. (tables/figures/charts will not be counted as part of 1000 word limit)
3. Provide a contrast/alignment of your findings with the existing literature

0. **Practical Implications:**

1. Explain how your research outcomes can be implemented practically
2. Highlight the key contribution to the research field
