學測新聞導讀助手 (GSAT News Reading Assistant)

使用者條款與隱私權政策 (Terms of Service & Privacy Policy)

感謝您使用「學測新聞導讀助手」。本擴充功能致力於協助教育者將國際新聞轉化為優質的英語教學教材。為了保護您的權益並符合 Google Chrome 線上應用程式商店的安全規範，請詳閱以下說明：

Thank you for using the "GSAT News Reading Assistant." This extension is dedicated to helping educators transform international news into high-quality English teaching materials. To protect your rights and comply with the Google Chrome Web Store Program Policies, please read the following carefully:

1. 單一用途聲明 (Single Purpose Statement)

- 中文：本擴充功能之單一用途為：在完全遵循 Google 權限最小化原則與尊重國際新聞媒體智慧財產權的前提下，協助教師透過必要技術功能（如 activeTab、scripting 與 storage），將合法新聞網頁（如 BBC、CNN）之內容，轉化為符合台灣學測（GSAT）命題架構之導讀、核心單字及模擬試題，自動建立專業的 Google 表單教學工具。

  English: The single purpose of this extension is to assist teachers in transforming content from legitimate news websites (e.g., BBC, CNN) into educational materials—including background guides, key vocabulary, and simulation questions—that align with the Taiwan General Scholastic Ability Test (GSAT) framework. This is achieved through necessary technical functions (activeTab, scripting, and storage) while strictly adhering to Google's Principle of Least Privilege and respecting the intellectual property rights of international news media.

2. 資料收集與儲存說明 (Data Collection & Storage)

- 🔒 本地儲存與零收集政策 (Local Storage & Zero-Collection Policy) Gemini API Key:
  中文：為了驅動 AI 生成功能，擴充功能要求您輸入個人 API Key。該金鑰 僅儲存於您個人的瀏覽器本地環境 (`chrome.storage.local`)。開發者無法從遠端存取、收集或傳輸您的 API 金鑰。

English: To power AI generation, the extension requires your personal API Key. This key is **stored only within your local browser environment (`chrome.storage.local`)**. The developer cannot remotely access, collect, or transmit your API credentials.

- 教師 **Gmail (Teacher's Email):** * 中文：您所輸入的 Gmail 帳號僅用於指定為生成的 Google 表單之「編輯者」，該資訊同樣僅儲存於您的本地裝置中。

  English: The Gmail account you provide is used solely to designate the "Editor" of the generated Google Forms. This information is also stored exclusively on your local device.

3. 教學紀錄與統計 (Usage Logging & Statistics)

中文：為了確保系統穩定性、提供錯誤修復支援，以及後續的 教育研究用途，當您成功生成教材時，系統會將以下非敏感性資訊紀錄於開發者的中央資料庫（Google Sheet）：

- 基本資訊：生成時間、教學週次、班級標記。
- 內容資訊：原文新聞網址、AI 生成之標題。
- 管理連結：生成之 Google 表單的作答連結與編輯連結。

English: To ensure system stability, provide technical support, and facilitate **educational research**, the system will log the following non-sensitive information into the developer's central database (Google Sheet) upon successful generation:

- **Basic Info:** Generation timestamp, teaching week, and class markers.
- **Content Info:** Original news URL and the AI-generated title.
- **Management Links:** The published and edit URLs of the generated Google Form.

4. 智慧財產權之尊重 (Respect for Intellectual Property)

中文：本工具設計之核心為「導讀與指引」，而非內容重製。

- 我們 嚴格禁止 AI 改寫或重製新聞原文。
- 每個生成的表單皆會 強制包含原始新聞網址。我們要求並鼓勵使用者引導學生點擊連結回到 **BBC、CNN** 等原媒體網站閱讀全文，以尊重原創新聞之智慧財產權與勞動成果，並支持優質新聞的點閱價值。

English: The core design of this tool focuses on "guidance and tutoring" rather than content reproduction.

- We **strictly prohibit** the AI from rewriting or replicating the original news text.
- Every generated form **must include the original news URL**. We require and encourage users to guide students to click the link and return to the original

media sites (e.g., BBC, CNN) to read the full article. This ensures respect for intellectual property and supports the value of professional journalism.

5. 聯絡資訊 (Contact Information)

若您對於資料處理或隱私權有任何疑問，歡迎聯繫開發者：If you have any questions regarding data processing or privacy, please contact the developer:
