Board Game Prototype

On Monday, 4/26, your groups will have the opportunity to play your game that you've been working on creating. Playing your game is an important part of creating a great game and creating and revising your rules. In order to play though, you will need pieces and parts. Create a table that lists what the piece is, what you will be making it out of, and who is bringing it on Monday.

EXAMPLE

Game Piece	**Material**	**Person Responsible**
Spinner borrowed from an existing game	N/A	Group Member 1
Game boards	Cardboard	Group Member 2
Dice	App	Group Member 3
