April 6, 2026

Dear 5th Grade Parents,

You and your fifth grader are invited to attend an orientation meeting for families moving from fifth grade to sixth grade. The orientation will be: **Tuesday, May 5 from 7:00-8:00 pm at East Middle School.**

At this orientation, we will have a schedule for both parents and students. We will have plenty of student volunteers on hand to direct you to the correct location. Due to our large numbers, we ask that only new 6th graders and their parents attend; no other family members please. Also, since we expect a large crowd for this event, please arrive early to secure a parking space. We ask that you please enter through door 29, which is near our STEM Lab. We will have signage outside directing you to the correct door.

We look forward to meeting you and your student on May 5, 2026 and working together for the next three years. Should you have any questions, please feel free to call East Middle School at (734) 416-4950, or email me directly at ted.younglas@pccsk12.com.

Sincerely,

Ted Younglas

Principal, East Middle School
