Description

During lunch [redacted] was turned around looking at another table. Another student at the other table started saying stuff to him that he didn't like. [redacted] said "Say one more thing about my mom" The other student said "Your mom is hot" [redacted] didn't like the comment so he got up and went over to the kids table and jabbed the kid in the stomach with his fist. On the following Monday, [redacted] walked up to the kid and tried to intimidate the boy to go fight in the bathroom.
