Application for running a Satellite during the Conference of Complex Systems 2025 Siena (Italy)

Successful satellite applications will be asked to organise and manage their sessions by their own committees. The satellite organisers are responsible for reviewing proposed papers and working with their presenters, and managing their webpage. If accepted, the CCS'25 committee will advertise the satellite adding the link of the satellite to the main conference webpage.

Title of the Satellite:	
Field: (e.g. Human Mobility)	
Topic: (e.g. Inequality)	
Website of the satellite (it does not need to be already online)	

The satellite chair is responsible for all the communication with the main organisation of the conference. Please, make sure that the satellite chair is responsive and available for fulfilling this requirement.

Satellite Chair:

Title (Mr(s)./Ms./Dr./Prof.):	
First Name:	
Last Name:	
Affiliation:	
Email:	

Satellite committee members: (List of all committee members Please, feel free to add more rows if needed).

	First Name, Last Name	Affiliation
1		
2		
3		
4		
5		

Satellite Description: (Provide an abstract with the description of the Satellite you are proposing up to 800 words).

Other Information:

Please, state the expected attendance and duration of your Satellite. This information will help us to define the number of rooms and the size of rooms needed for the satellites.

Expected Attendance:	
Expected Duration:	
Preference of time slot: (morning/afternoon/full day)	

Date, Signature of the satellite chair (on behalf of the satellite committee).
