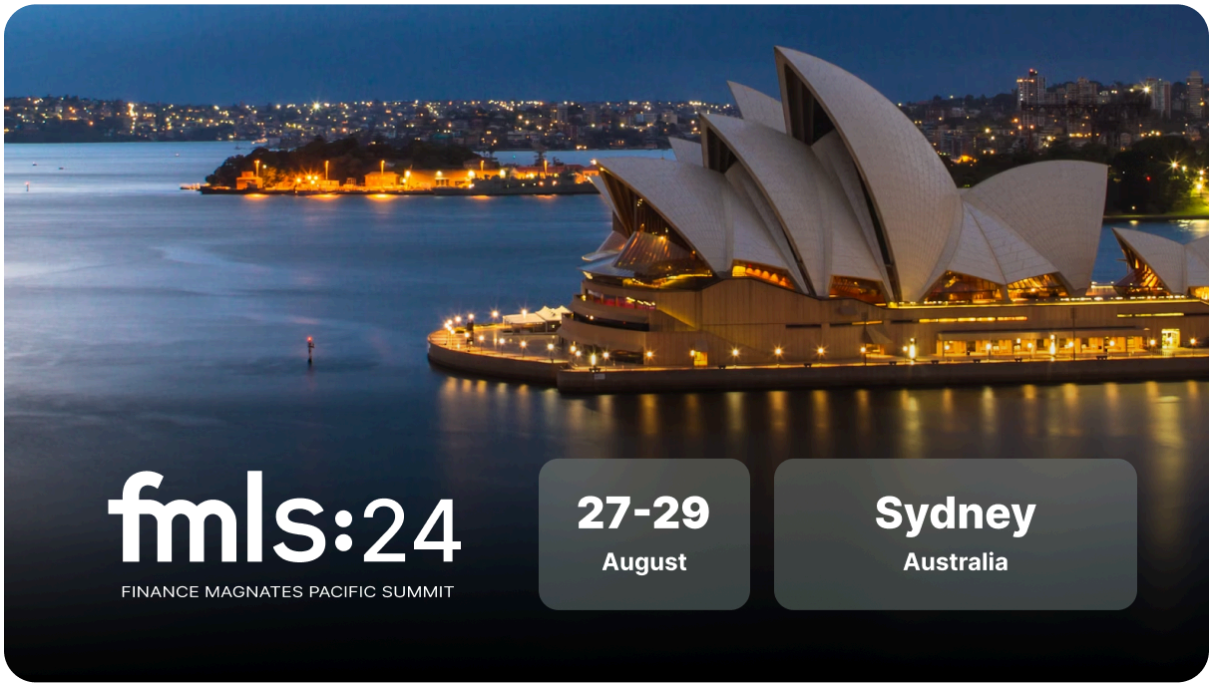
Meta Title: Discussing The Best Liquidity Solutions At The FMPS Expo

Meta Description: We are taking on FMPS, the largest event for financial firms and brokerage platforms. Tune in for more updates on this event, and get in early to meet us there.



Taking Our Advanced Liquidity Management Solutions To Australia at FMPS

B2Prime, a globally regulated Prime-of-Prime liquidity provider and multi-asset brokerage supplier, is getting ready to participate at the highly renowned Finance Magnates Pacific Summit in Sydney, Australia.

On August 27-29, leading financial institutions and trading operators will make their way to the International Convention Centre in Sydney, and we are excited to share the floor with the likes of OneZero, Match-Trader and X-Open Hub.

As a water sponsor, We are proud to contribute to the success of this three-day event, where we will discuss the most recent updates and news in the trading industry and navigate the best practices when it comes to liquidity management.

Finance Magnates Pacific Summit 2024

FM events are held multiple times a year, with a primary focus on online trading, brokerage services, payment technologies and FinTech.

The expectations are high for this FMPS Expo, with more than 2.5k visitors planning to attend. 70+ sponsors and 80+ speakers are planned to make this event a memorable experience for financial companies and startups.

Advocating The Best Liquidity Management Tools

As a leading multi-asset liquidity provider with solid connections to tier-1 financial institutions and vast pools, we are looking to showcase our solutions and discuss the importance of PoP liquidity to existing and emerging brokerage firms.

Starting this year, we've worked consistently to expand our liquidity service coverage with the recent acquisition of the Security Dealer License in Seychelles, and we are excited to bring out more updates to our visitors at the FMPS Expo.
