Subject:

Putting a **<property type>** in **<location>** on the back burner?

Body:

Hi **<name>**
Well I guess that finding a **<property type>** in **<location>** is not high on your priority list at the moment, which is a shame as there are some great opportunities on the market right now, as you will <**see on our website**>.

If you are not interested in receiving any more information from me, please just let me know and I won't mail you anymore.

If you would like to keep up to date with the market, why not let me know an approximate price range of the property you are looking for (and anything else that's important bedrooms, property type etc) and I'll keep you informed when a match comes on the market.

In the meantime, I'll try to keep in touch every now and again to check if finding a property has become a priority again!

kind regards
