Curricula, Materials, and Classes

Refer to the order request process for instructions and details. Please use one form per vendor or class provider, and check the box if multiple forms are used for the same vendor. Send all forms in a single email to your teacher. If interested in college courses, please complete the College Credit Planning Form

Please note: Forms must be pre-approved by teachers for processing. WISE Academy may **not** purchase faith-based materials and/or courses. The materials that WISE purchases remain the property of the Nekoosa School District and may be inventoried. All materials purchased must be connected to student learning plans.
