Stormwater CBP3 Learning Network

Session 11: CBP3 101: What It Is, When to Use It, and How It Works

Logistics

Date and Time	Thursday, October 29, 2026, 1:00-2:15 p.m.
Location	Virtual (Zoom and Mural)

Goal

Overall Goal of the Learning Network

Help Washington local governments learn from peers and move stormwater projects from early ideas and planning into procurement and implementation.

October Meeting Purpose

Give newcomers a solid grounding in CBP3 and help them see whether it might fit a local stormwater need. It will also be refresher for current grantees and staff and an opportunity to shape future Learning Network sessions.

Detailed Agenda

Agenda Item	Lead	Time	Objectives
Welcome & Do Now	Mariah Davidson	1:00 – 1:10 p.m.	Icebreaker and agenda overview.
Ecology and Learning Network Support	Sarah Ponte, Ecology	1:10 – 1:15 p.m.	Briefly explain Ecology's CBP3 program, why it supports the Learning Network, and how the series can help participants.
CBP3 101: What it is and when to use it	Chad Praul	1:15 – 1:30 p.m.	Introduce CBP3 in plain language and explain concepts of CBP3s using examples (Anne Arundel and others) and when projects are right for CBP3s, performance contracts or traditional procurement.
CBP3 in practice: How it works	Chad Praul	1:30 – 1:40 p.m.	Trace how stormwater needs can become outcomes, roles, measures, verification, and payment.
Breakout Session: Small group discussions for project cases and their fit for CBP3	Mariah Davidson	1:40 – 1:55 p.m.	Give breakout groups three cases to discuss and assign and justify a delivery approach for each case: CBP3, performance contract or traditional delivery.
Breakout Report Outs	Mariah Davidson	1:55 – 2:05 p.m.	Share group decisions and hear about group justification for project fit for CBP3, performance contract or traditional delivery. See if the groups came to the same decisions or not.
Participant questions, exit survey and next steps	Mariah Davidson	2:05 – 2:10 p.m.	Address questions, preview Session 2 and others and collect learnings and future topics ideas in short exit survey.
