Friends -

As advisers to members of our LEC, our charge is broad. We guide our young people through the operations of the lodge and our chapters while, in parallel, mentor them through their journey of growth and personal development. With this in mind, I am personally inviting you to join the Order of the Arrow's upcoming Developing Youth Leaders Conference (DYLC) coming to Florida in February.

DYLC is not about the process and paperwork. The course covers how our young people learn at this stage in their life. Prepared with this information, you will practice tools and methods that strengthen your relationship with young people. The weekend is anchored in the idea that each scout needs one caring adult in their life to spark a lifetime of cheerful service.

Partnered with other adult leaders from across the region, you'll be able to discuss these topics with advisers of different experiences and traditions to bring home a new perspective.

The Fruitland Park, FL DYLC will be **February 20th - 22nd**; but registration closes February 5th, so secure your spot today at e5.oa-scouting.org/nls. There are a limited number of seats in the course, so register soon to ensure you don't miss it. The next DYLC to be held in Florida will be no earlier than 2030.

DYLC is an investment in yourself, as we build the next generation of leaders in our lodge and in our community. Your effort matters, so thank you for all you do for our young people.

Can I count you in?
