ABSTRACT (Times New Roman 11, single space)

The abstract is written in Indonesian and consists of 200–300 words, including an introduction, objective, methods, results, and conclusion. If the article is written entirely in English, the Indonesian abstract section may be omitted.
Keywords: Consist of 3–5 words.

INTRODUCTION (Times New Roman 11, single space)

The introduction contains the background of the research, the state of the art (the current condition based on existing studies), the statement of the gap (the gap that the researcher intends to fill), and the objective of the research. Include research findings that support this study. Also state the novelty of this research.

CASE PRESENTATION (Times New Roman 11, single space)

Present the case in detail and clearly, supported by the necessary supporting data so that readers can understand the case well. If data are presented in the form of figures or tables, all figures, tables, and diagrams must be numbered and accompanied by an explanation of the figure, table, or diagram.

DISCUSSION (Times New Roman 11, single space)

The discussion section contains a discussion related to the data obtained from the research. In the discussion, compare the findings with other studies or relevant theories.

CONCLUSIONS (Times New Roman 11, single space)

The conclusion contains a brief paragraph that answers the research objective.

ACKNOWLEDGEMENTS (Times New Roman 11, single space)

The acknowledgments section contains expressions of gratitude to the parties who assisted in this research.

CONFLICT OF INTEREST (Times New Roman 11, single space)

The conflict of interest section contains any conflicts that may arise during the research or publication process and may affect the research results.

AI STATEMENT (Times New Roman 11, single space)

Authors must disclose any use of artificial intelligence (AI) tools in the preparation of the manuscript. The AI statement should specify the name and version of the AI tool used, the purpose of its use, and the parts of the manuscript in which AI assistance was applied.

AUTHOR CONTRIBUTION (Times New Roman 11, single space)

Authors must provide a clear statement describing the specific contribution of each author to the research and manuscript preparation. This statement is intended to ensure transparency, prevent authorship disputes, and clarify accountability for the published work.

FINANCIAL STATEMENT (Times New Roman 11, single space)

Authors must disclose all financial support received for the research, manuscript preparation, or publication. The financial statement should include the name of the funding source, grant number if applicable, and the role of the funder in the research.

REFERENCES (Times New Roman 11, single space)

Prepared using a reference manager (Mendeley, EndNote, Zotero, etc.) in Vancouver format. Use more than 10 references that support the research.

Tables/Graphs/Figures (Times New Roman 10, single space)
Tables/graphs/figures should be **placed at the desired position** in the manuscript using the following format:

Table 1. **Table Title**

No	Column 1	Column 2

Figure 1. Figure Title
Include figures with the best quality and clarity. Figure titles should be placed below the figure, accompanied by a figure caption.

Graph 1. **Graph Title**
Include graphs with the best quality and clarity. Graph titles should be placed below the graph, along with an explanation of the graph.
