TRUE HOPE | GROUPS & MENTORING

"NO ONE FINDS THEIR WAY BACK TO GOD ALONE"

Groups and Mentoring aren't about giving polished 'right answers.' They're about sharing real answers. This isn't a place to tell others how good you are at following Jesus, but where you are falling short. We want to create an environment of trust and vulnerability, where we can be honest about our struggles, knowing we are all broken and all equally in need of Jesus. What is shared in your group or mentoring relationship should stay there so everyone feels safe being real.

1. Look at upcoming events together *(Are there any that your group would want to attend together?)*

Our Kids Ministry is growing rapidly (Praise God) with that we need volunteers in our Kids Ministry to invest in the next generation.

Please take a moment as a group to watch this video from our kids ministry team on ways you can help and serve: https://youtu.be/muxZU_7v_JU

2. Begin in Prayer *(Pray that God would speak to you through His Word)*

3. Bible Texts Used in This Sermon *(Pay attention to how God is at work)*

(*Hebrews 11:13-40, Hebrews 12:1-2)*

4. Sermon Recap: Living for Legacy

Key Observations about Faith:

1. *Faith is not the absence of reason. It's a confidence in God's demonstrated faithfulness.*
2. *"Before Moses ever walked by faith himself, someone else had walked by faith in his place."*
3. *Faith is not blind hope. It's confidence that God who kept His word will keep it again.*

Main Takeaway:

Faith exists in the space between what God certainly has done, and what He certainly will do, even if we don't live to see its fulfillment.

5. Group Questions-

1. How does Moses' example in Hebrews 11:23–29 challenge the way we typically understand and exercise faith?

2. Why is it important to remember God's past faithfulness when trusting Him with an uncertain future?
3. Where in your life are you struggling to trust God's promises because you cannot see how He will fulfill them?
4. What temporary comforts or desires are most likely to distract you from living with an eternal perspective?
5. What is one specific step of obedience God is calling you to take that requires trusting Him with the outcome?
6. How can you intentionally invest in the faith of someone in the next generation?

6. PRACTICE-

Hebrews 12:1–2 reminds us to run our race with endurance, keeping our eyes fixed on Jesus. This week, reflect on the people whose faithfulness helped shape your walk with Christ. Identify one person you can intentionally encourage or disciple in their faith. Share with your group how you plan to invest in that person this week, and pray that God would use your faithfulness to leave a lasting legacy.
