***Abstract***
The abstact must be written by reflecting the **background, objective, method, results**, **and conclusion**, maximum of 300 words, written using Times New Roman font size 9. The abstact must be written by reflecting the **background, objective, method, results**, **and conclusion**, maximum of 150 words, written using Times N Roman font size 9, and single space.

***Keywords****:* asymptomatic hearing loss, type 2 diabetes mellitus, hyperglycemia, risk factors, application.

***Abstrak (Indonesian Language)***
The abstact must be written by reflecting the **background, objective, method, results**, **and conclusion**, maximum of 300 words, written using Times New Roman font size 9. The abstact must be written by reflecting the **background, objective, method, results, and conclusion**, maximum of 150 words, written using Times N Roman font size 9, and single space.

***Kata Kunci****:* asymptomatic hearing loss, type 2 diabetes mellitus, hyperglycemia, risk factors, application.

*(written under the abstract by selecting three to six words that can help compose the index, written using* Times N Roman font size 9*)*

## Introduction

*(This chapter describes the background, the hypothesis (if any), the purpose of the study, the position of the research towards the other similar research. It also can be a brief literature review.*

*Reference cited according to Vancouver, numbered in accordance with the order of references in the research and in accordance with the sequence number in the bibliography. The number is written before dot ".". In writing the citations and references, authors are recommended to use reference management software, such as Mendeley.*

Chapter content chapter content chapter content chapter content chapter content chapter content chapter content chapter content chapter content.

## Method

*(This chapter contains of research design, data collection, data sources such as the population and sample, and data analysis. Research design (that subtopic should be Black and Bold followed by the description in a new line. Written using Times N Roman font size 10, with 1.5 space, sub-chapter writing is using capital letters at the beginning of each word except the conjunctions).*
