Could do a big small item giveaway with limited amounts of something more expensive (e.g. insomnia cookies and hopkins fleeces)
Budget shouldn't be more than what we would have paid for the party

Space?
Q Level? (@Youlim Song)
Gilman Atrium? (@AJ Tsang)
JHUnions Space? https://studentaffairs.jhu.edu/sli/jhunions/

Budget Number: 1100390016
Budget Amount: ???
Costs?
-Bowls
-Food
Assume we have 2k and we're keeping 1.2k in reserve for spring semester event, then maybe we use $800; do we want to use all $800 or use it for grants, other activities, etc.
Should save extra money for smaller events/activities

Potentially switch to a weekday, since it's a smaller event
Delegating task: Pavan find cheapest fleeces or t shirts (thinking maybe fleeces for assassin, t shirts for the giveaway?- might scratch the t shirt idea) available, Miranda try and come up with a design for fleece/t-shirt for assassin
We could also potentially give away mugs and do a design competition (and put ice cream in the mugs if you want it- bon appetit? Also hot chocolate!!); have certain words to put in the design etc.
FB event and an email from Dean for the design competition
Madelynn will make an event (2 colors max)
Dean will order the ice cream
Omar will look up potential cost of mugs, how long they take to ship etc.
Forward stuff to dean via email and/or put in groupchat

2) Update on Assassin
-Order T Shirts

If few enough kills, we could even give away fleeces (maybe if people have 1+ kill)

5 Fleeces x $40=$200

Bon Appetit Ice Cream

Total: $700 (vote= unanimous yes)

50 Blue Mugs: $250 (+50 shipping)
$20 per gallon of hot chocolate
