ALBERTA SPORTS HALL OF FAME
Alberta Cheers for the World
A School Spirit Celebration for Central Alberta Classrooms

Dear Educators,

As Red Deer prepares to welcome athletes, fans, and visitors from around the world for the World Junior Hockey Championship, the Alberta Sports Hall of Fame invites your classroom to be part of a special community-wide celebration.

Alberta Cheers for the World is an opportunity for students across Central Alberta to show their school spirit, celebrate the power of sport, and help create a warm Alberta welcome for our international guests.

How Your Classroom Can Participate

Wear Your Team Spirit

Choose a day for students and staff to wear red and white, hockey jerseys, or the colours of their favourite team.

Create a Cheer for the World

Encourage students to create posters, banners, artwork, classroom displays, or even short video messages welcoming visitors and cheering on Team Canada.

There is no right or wrong way to participate. We simply want to see students having fun while celebrating one of the world's premier hockey events.

Celebrate the Power of Sport

Use the excitement of the World Juniors as an opportunity to discuss important values such as teamwork, perseverance, leadership, sportsmanship, and community pride.

Sport brings people together in a unique way, and this event provides a wonderful opportunity for students to experience that connection.

Win a Free Classroom Party at the Hall of Fame!

Every classroom that participates in **Alberta Cheers for the World** will be entered into a draw to win a **FREE Classroom Party at the Alberta Sports Hall of Fame.**

To help your students join the excitement, we have included a selection of **World Juniors colouring pages**. Students are encouraged to colour, decorate, and show their hockey spirit.

The classroom that submits the most colouring page entries will automatically earn a spot in the grand prize draw.

Teachers may submit:

- Completed colouring pages
- Student artwork
- Classroom displays
- Spirit Day photos
- Welcome messages for visiting teams and fans
- Videos celebrating Team Canada and the World Juniors

Selected submissions may be featured on the Alberta Sports Hall of Fame's social media channels as we celebrate the incredible school spirit happening throughout Central Alberta.

Please ensure all school and parent/guardian permissions are obtained before submitting photos or videos featuring students.

Important Deadline

All colouring pages, artwork, photos, videos, and classroom submissions must be received by **December 15, 2026** to be eligible for the classroom party prize draw.

Let's Show the World What Alberta Spirit Looks Like!

Whether it is a classroom filled with red and white, a poster welcoming visitors, or a creative message supporting Team Canada, every classroom can help make this event special.

Together, let's celebrate sport, community, and the excitement of welcoming the world to Red Deer.

To Participate or Submit Your Classroom's Entry

Alberta Sports Hall of Fame

📞 403-341-8614
🌐 www.albertasportshall.ca

Submission Deadline: December 15, 2026

If you are unable to submit your classroom's entries electronically, please let us know. One of our wonderful team members would be happy to arrange pickup of your submissions.

Thank you for helping showcase the creativity, school spirit, and community pride of Central Alberta students. We look forward to seeing how your classroom joins **Alberta Cheers for the World!**

Sincerely,

Rylee Paish
