Cake Personal Data Collection, Processing, and Use Notice and Consent Agreement

Thank you for participating in the event hosted by **Trantor Tech, Inc.** (hereinafter referred to as "the Company" or "we"). We value the privacy of users (including "users," "members," and "participants," hereinafter referred to as "you" or "participant") and adhere to the **Taiwan Personal Data Protection Act** for the collection, processing, and use of the personal data you provide during registration. This notice outlines the collection, processing, and use of your personal data.

(1) Purpose of Personal Data Use

We collect, process, and use the personal data you provide for event-related administrative tasks, and within the scope of these purposes. The purposes include but are not limited to:

- Confirming the identity of participants and registrants.
- Providing job-seeking information to participants.
- Assisting participants with talent matching.
- Other related purposes that help ensure the smooth operation of the event.

(2) Methods of Data Collection and Scope of Use

When you register for the event, you will be asked to provide certain personal information necessary for us to deliver the related services. We will use your data exclusively for the purpose of facilitating your participation in the event and providing the associated services.

(3) How Personal Data Will Be Used

- **Duration:** We will retain and use your personal data until you request to stop its use or until the event ceases operations.
- **Region:** Your personal data will be used in the region where the event services are provided.
- **Recipients:** Your personal data may be provided to the participating companies of the event, but will not be shared with other third parties except under the following circumstances:
 - With your prior consent or authorization.
 - When legally required by judicial authorities or other regulatory bodies.
 - Other circumstances when retention or use of the data is permitted by applicable law.

(4) Categories and Items of Personal Data

To provide services and analyze the event, we may request the following basic personal information: name (in Chinese/English), gender, email address, mobile phone number, occupation, educational background, and other data that may be collected during the event. We will inform you if additional data is required.

(5) How to Modify or Update Your Personal Data

You have the right to request to view, obtain copies of, supplement, correct, stop the collection or use, or delete your personal data in writing or electronically. However, this does not apply if there are legal requirements or obligations for the organizer to retain the data. We may charge administrative fees for processing such requests. If your personal data changes, you can update it directly on the event registration website or contact us via email. Failure to do so may affect your ability to participate in the event or related activities.

(6) Privacy Protection Consultation

If you have any questions regarding our privacy protection policy or the collection, use, or updating of your personal data, please contact us at:
legal@cakeresume.com.

By proceeding with registration, you confirm that you have read and understood this personal data notice and consent to the collection, processing, and use of your personal data by the Company and participating companies in electronic form. Your voluntary provision of personal data shall also be deemed as your consent. If you do not agree with the terms of this notice, please exit this page. Please note that your registration cannot be successfully completed without your consent.
