
This list serves as a general introduction to opportunities catered to Korean Americans, Asian Americans, or individuals interested in Korea. Many opportunities are not "Korea-focused". Instead, this list serves as a compilation of openings in a variety of fields (focused on government, nonprofits, think tanks, and businesses) that Korean Americans could apply to. If you would like to contribute to this list or assist in editing please reach out to Peter Lee Hamilton at plh34@georgetown.edu!
