Motion: Support for Labor for Housing Campaign

That the [insert branch name] Branch of the Australian Labor Party:

1. **Endorses and commits to join the Labor for Housing campaign** as a vehicle to support stronger action on housing affordability, renter protections, and public and affordable housing delivery. This includes participating in events and organising activities that are convened by the organisation.

2. **Invites Councillor(s) [insert local councillor's name]** to attend the next scheduled branch meeting to provide an update on local efforts to improve housing affordability in the [insert area] area.

3. **Commits to convening a local housing organising event**, hosted by the branch, to bring together Labor members and members of the broader community — including renters, housing advocates, and local organisations — to discuss solutions to the housing crisis and build local support for housing affordability.
