

WALL STREET SIT DOWN - USA

(original tune & idea: Maurice Sugar, new words Peggy Seeger)

There's Wall Street here and Wall Street there

SIT DOWN, SIT DOWN!

There's Wall Street almost everywhere

SIT DOWN, SIT DOWN!

CHORUS:

SIT DOWN, JUST TAKE A SEAT

SIT DOWN AND REST YOUR FEET

SIT DOWN ON WALL STREET

SIT DOWN, SIT DOWN!

You'll find us here, you'll find us there...

You'll find us sitting down everywhere... (CHORUS)

When they've thrown your mortgage over the hedge...

When you're down and out and close to the edge... (CHORUS)

When the system leaves you out in the cold...

When you've lost your job and your life's on hold... (CHORUS)

When your pension's gone and your wage is cut...

And the bankers tell you they're hard up... (CHORUS)

When the bankers lie and cheat and steal...

Here's how to tell them how you feel... (CHORUS)

When public services get the axe...

When corporations pay no tax... (CHORUS)

When the rich get richer and the poor stay poor...

When there's always cash for another war... (CHORUS)

When they take the students grants away...

When your kids are in debt till they're old and gray... (CHORUS)

When they take your home and your savings too...

There's only one thing left to do... (CHORUS)

It's highway robbery, there's no doubt...

They buy us up then sell us out... (CHORUS)

When one percent is running the show...
Then ninety-nine percent say no... (CHORUS)

Don't get drunk, don't get high...
Get together and occupy... (CHORUS)
