

## **Advisor Recommendation**

The purpose of this advisor recommendation is to assess the choice of study abroad program to fit the studies of the student, and to identify how to best prepare all students for successful study abroad.

1. What conversations have you had with the student about their plans for study abroad?
2. How do their plans integrate with and advance their larger academic and career goals, including meeting their graduation requirements?
3. What are the student's strengths and assets?
4. Where might this student need extra support in achieving their goals through study abroad? (i.e. from in-country staff at their host institution, from GEO, etc.)

Multiple Choice Questions:

- Communicates effectively (yes/no/unknown)
- Takes initiative (yes/no/unknown)
