Your FAFSA results for the 2022-2023 academic year have been received by the Financial Aid Office and our records currently indicate that you are scheduled to graduate within the academic year. Before we can continue to process your application, we need to know your enrollment and graduation plans.

If you need help completing this form, please contact an academic advisor in the Academic Success Center.

Directions: Report the number of credit hours you will be enrolled in each term (do not put an X). Only report classes you will take at Kettering (do not report classes "taken out" and transferred in).
