

Good Morning 4 Motion,

Thank you for a great time at your skatepark!

It has brought a smile to my face!

I used to ride bmx as a teenager and now being 25, I only recently found my passion for riding again.

It's a shame that not as many people ride bmx or skateboard as there used to be.

I believe your skatepark should be known by more people!

And I know it isn't getting the recognition it deserves.

I had a look through your website and social media and it's a shame that there isn't actually as much information as I thought there would have been.

I believe it should be 4 Motion that holds the reputation of being the biggest and best skatepark in the northeast!

The question is.. Do you want that reputation?

I have some ideas I would like to share and discuss with you to make that happen.

I look forward to hearing back from you soon.

All the best

Stewart.
