MAT 1260 Introduction to Statistics (GT-MA1) - 3 credits (Meets 5 credits of BVSD Math Algebra I or higher and meets Math competency)
Class schedule: May 31st - Aug 8, 2022
Remote Real-Time: 9:00-11:30 am, Tuesday/Thursday Introduces descriptive and inferential statistics, with an emphasis on critical thinking and statistical literacy. Topics include methods of data collection, presentation and summarization, introduction to probability concepts and distributions, and statistical inference of one and two populations. This course uses real world data to illustrate applications of a practical nature. *This course does not meet the same requirements as BUS 226 Business Statistics. If you are interested in studying Business, you will need to take BUS 226. Are you ready for MAT 1260? Self-Guided Placement Form

HIS 2110 African American History: (GT-HI1) - 3 credits

(Meets 5 credits of BVSD General Elective requirement)

Class schedule: June 20 - Aug 8, 2022
Remote Real-Time: 1:00-3:00 pm, Monday/Wednesday

Explores the experiences and contributions of African Americans from the colonial period to the present. Emphasizes the social and economic lives and roles of African Americans, their roles in politics and war, their achievements, and movements for self-help and civil rights. Front Range Community College courses are for BVSD students only. Additional courses are being considered, please check back frequently for course updates.

PHI 1011 Introduction to Philosophy (GT-AH3) - 3 credits
(Meets 5 credits of General Elective requirement)
Class schedule: May 31st - Aug 8, 2022
Remote Real-Time: 8:00-11:00 am, Tuesday/Thursday
This course exposes students to the four foundational fields of philosophy: logic, metaphysics, epistemology, and ethics, through the reading of classic texts from a diverse array of global sources. Students will gain proficiency in the fundamentals of philosophical thought and writing, critical analysis, and contemplative reflection, as well as being exposed to contemporary philosophical trends and issues.
Instructor: **Dr. Jordan Hill**

ETH 2000 Introduction to Ethnic Studies (GT-SS3) - 3 credits (Meets 5 credits of General Elective requirement)
Class schedule: May 31st - Aug 8, 2022
Remote Real-Time: 2:00-5:00 pm, Tuesday/Thursday This course presents students with an introduction to the field of Ethnic Studies through the reading of autobiography, historical primary and secondary sources, and the philosophy of critical race theory. The course will be structured with intersectionality at its core and students will gain a deep

understanding of the long civil rights historiography through the study of the black freedom struggle, Chicano/borderland studies, indigenous people's sovereignty struggles, and the Asian diaspora in the United States
Instructor: **Dr. Jordan Hill**
