What has been accomplished:

Bag Program: eliminating single use plastic bags from campus

- Sell subsidized cost of bags ($3)
- 25 cent discount for using reusable bags
- Available at all locations

- Talk to coalition about the discount?

- Emphasis on having recycled paper bag at each location as standard

Reusable bottle ($3)

- New water fill stations in levering dining!
  - Will install more water bottle filling stations across campus
- Hope to deter single use plastic water bottles

Information Campaign about Dining Dollar Donations

- After spring break
- We do not formally participate in swipe out for hunger
- Will support the Hopkins food pantry

- Using the swiper that expire every week?
  - May restructure in a year
  - There will be working groups/focus groups for the process

Send in student body-wide emails

- Marketing initiatives: opportunity to have students look at the content
- Using RAs?
  - Currently send out info list to RDs
  - Pursue through SGA
- Social Media as SGA

Also need to create a culture of sustainability

- New student orientation
  - Going in an overhaul
