

### **Tips:**

- **Apply for scholarships at the schools you plan to attend.**  
Narrow your list down to two or three schools, apply for scholarships on each school's website, and then compare your financial aid and scholarship packages (late spring/early summer) to determine which school is the best fit for you.
- Check for scholarship opportunities through any clubs or organizations that you or your parents belong to.
- Check for scholarship opportunities through your parent(s) workplace.
- The majority of scholarship applications require an essay(s) and a few may ask for a college resume.
- Create a folder on your desktop where you can save all of your essays. Once you have written an essay for a scholarship, make a copy and revise it for other essays. Save each essay under the scholarship's name. When you apply the following year(s), you can update and revise the essay.
- Check with your guidance counselor for additional scholarship opportunities.  
Your guidance counselor should be one of your BFFs during high school. Make sure to thank them for their help!!!

### **FAFSA and Student Aid**

[FAFSA](#) - Federal Student Aid information.

[UW Student Aid](#) - Financial information from the state's only 4-year university.

[WUE - Western Undergraduate Education program](#) - The Western Undergraduate Education program offers savings through scholarships for students who wish to attend an out-of-state college. Students can explore schools in 15 member western states.

### **Technical and Trades Scholarships**

Below is a list of scholarships that CWC Upward Bound has compiled to help you acquire scholarship awards to pay for college expenses.

**Highlighted Dates:** Scholarship names and due dates that are highlighted need to be updated on web pages. Those scholarship awards usually still exist. They just haven't revised the date on their application yet. We are reaching out to those organizations. Please be patient and check back periodically for updated applications.
