Interactive Movement Storytime for Young Learners

Designed for **Pre-K through 2nd Grade**

Children don't just listen to the story—they **move through it.**
Students follow directions, act out animal movements, and engage their bodies while learning.

Each visit combines **storytelling, movement, and fun educational facts** to support early childhood development.

Featured Book Series

Move Adventures Series

Titles include:

- Arctic Edition
- Rainforest Edition
- Farm Edition
- Magic Edition
- Undersea Edition

Ages: Pre-K – 2nd Grade
Retail Price: $11.99 per book

Books will be available for purchase.
Discounts are available when multiple books are purchased.

What Students Experience

During the visit, students will:

- Listen to **two interactive stories**
- Move like animals throughout the adventure
- Practice **following directions and gross motor skills**

• Learn **fun animal facts**
• Build language and speech skills through participation

The books focus on **learning through intentional play and movement**, helping children stay engaged while reinforcing early learning skills.
