# Updating/Changing NFPA Policies

Amending, deleting, and/or waiving a Policy and/or making a new Policy requires a simple majority vote of those Board members present at a Board meeting in which a quorum has been established. The Governance Committee Chair shall update the Policies to reflect the amendment, deletion and/or waiving of the new policy approved by the Board and disseminate the revised document to Board members. An updated version of the Policies will also be submitted to the Communications Chair to be uploaded on the Board Portal.
