Product Wildlife Photographer of the Year: Portfolio 19 Description

More than 120 stunning images from the 2009 Wildlife Photographer of the Year Competition are gathered in this astounding compilation. The winning and commended photographs, each selected by an international panel of expert judges, are all included, and together these images cover a wide range of subjects and a diverse portfolio of styles. The photos include nature abstracts, depictions of animal behavior, and environmental reportage, and each image celebrates the splendor, drama, and variety of life on earth. The photographs are also accompanied by memorable captions that tell the story of how and why each shot was taken.
