**Abstract**

*[The abstract should be written in English as a single paragraph, Times New Roman, 10 pt and should not exceed 350 words. It should briefly include the background, research gap/problem, purpose, method, findings, and conclusion of the study.]*

**Background:** [Write a general statement about the importance of the research topic and explain why the issue is significant.]

**Research Gap/Problem:** [Describe the gap in previous studies, inconsistencies between theory and practice, or the problem that motivates the study.]

**Purpose:** This study aims to [state the objective(s) of the research].

**Method:** This study employed [research design] involving [participants/data sources]. The data were collected through [instrument(s)] and analyzed using [analysis technique].

**Findings:** The findings indicate that [summarize the main results of the study].

**Conclusion:** The study concludes that [state the main conclusion and its implications.]

## INTRODUCTION [Times New Roman, 12 pt, Bold, Uppercase, 1.5 line spacing]

The introduction should provide the background and rationale for the study. It should introduce the research topic, review relevant previous studies, identify the research gap, and clearly state the research objectives or hypotheses. The manuscript should not exceed 20 pages in length, use 1.5 line spacing, and be written in Times New Roman, 12-point font. Each paragraph should begin with a 1 cm first-line indentation, and no additional space should be inserted between

paragraphs.

Please remember that all papers must be written in English and be free of spelling and grammatical errors. Do not add any text to the headers or footers, including running heads or page numbers. The paper size must be set to A4. The document margins must be the following:

Top : 4 cm
Bottom : 3 cm
Left : 4 cm
Right : 3 cm

**LITERATURE REVIEW** [Times New Roman, 12 pt, Bold, Uppercase, 1.5 line spacing]

References and in-text citations must follow APA Style (7th edition). All references cited in the manuscript must appear in the reference list, and all references listed must be cited in the text. No numerical or letter-based numbering, with or without brackets (e.g., 1, (1), a), (a)), should be used for citations or references. Bullet points may be used where appropriate, provided they are not used as a numbering system for citations or references. Each paragraph **must** begin with **a 1 cm first-line indentation**, with no additional space between paragraphs. Authors **must** use **Mendeley Reference Manager** for managing citations and references.

**Subheading 1**

*[Times New Roman, 12 pt, Bold, Title Case, 1.5 line spacing,]*

**Subheading 2**

*[Times New Roman, 12 pt, Bold, Title Case, 1.5 line spacing]*

**RESEARCH METHOD** [Times New Roman, 12 pt, Bold, Uppercase, 1.5 line spacing]

This section describes the research methodology, including the research design, participants (population and sample), data collection techniques, research instruments, and data analysis techniques.

**FINDINGS AND DISCUSSION** [Times New Roman, 12 pt, Bold, Uppercase, 1.5 line spacing]

The discussion should interpret and explain the research findings by relating them to the research questions or hypotheses and the relevant literature. It should highlight the significance of the findings, discuss their implications, and present any new insights gained from the study without merely repeating the results or the introduction.

Tables and figures must be placed within the designated margins or may span across two columns when necessary. They should be numbered consecutively and center-aligned. Table titles should be positioned above the tables, whereas figure captions should be placed below the figures.

Captions consisting of a single line should be centered. Captions extending to more than one line should be aligned using justified formatting.

**CONCLUSION** [Times New Roman, 12 pt, Bold, Uppercase, 1.5 line spacing]

The conclusion should explain why the research is important after readers have read the article. It should not merely summarize the main issues or restate the research problem but should synthesize the key findings and provide recommendations for future research where appropriate.

**ACKNOWLEDGMENTS (OPTIONAL)** [Times New Roman, 12 pt, Bold, Uppercase, 1.5 line spacing]
The acknowledgment section is optional and may be used to express gratitude to individuals, institutions, funding agencies, or organizations that contributed to or supported the research. Authors may also acknowledge technical assistance, editorial support, or financial sponsorship, where applicable.

**DECLARATION OF AI USE** [Times New Roman, 12 pt, Bold, Uppercase, 1.5 line spacing]

**If AI tools were used, please state that:**

The authors declare that AI tools (please specify the name of the tool(s)) were used only for the preparation of the manuscript, specifically for [specify the scope of use, e.g., spelling and grammar checking].

**If no AI tools were used, please state that:**

The authors declare that no AI tools were used in the preparation of the manuscript. The authors take full responsibility for the content.

**STATEMENT OF ORIGINALITY** [Times New Roman, 12 pt, Bold, Uppercase, 1.5 line spacing]

Please ensure that your manuscript is checked for plagiarism before submission. The similarity index must not exceed 25%. If the similarity index exceeds this limit, your manuscript may be returned for revision or rejected in accordance with the journal's editorial policy.

**Please include the following Statement of Originality in your manuscript:**

The authors declare that the work is original, has been approved by all co-authors, has not been published previously, is not under consideration for publication

elsewhere, and does not contain plagiarism, either in whole or in part. All sources of information have been properly acknowledged and cited. The authors take full responsibility for the originality, authenticity, and integrity of the submitted manuscript.

**REFERENCES** [Times New Roman, 12 pt, Bold, Uppercase, Single line spacing]

All references must follow APA Style (7th edition) and be arranged alphabetically by the first author's surname. Every reference listed must be cited in the text, and every in-text citation must appear in the reference list. Authors are required to use recent and relevant references. At least 80% of the references must have been published within the last ten years and should preferably be sourced from peer-reviewed journal articles.
