Dear 9th Grade Students and Families,

Welcome to the 9th grade! My name is Euridio Evora, I am your 9th grade Assistant Principal and we are thrilled to have you join our school community and embark on this exciting journey together. The transition to high school marks a significant milestone, and we are committed to ensuring that each of you has a successful and rewarding experience

I wanted to share a little about myself. This is my second year as the Assistant Principal here at Boston Prep, and my 16th year as an educator. I am Cape Verdean American and was born and raised in Dorchester where I still reside there with my wife and two year old son, Santiago.

For Students:
As you begin your high school journey, setting clear and achievable goals is essential for your success and personal growth. Here are some important goals to consider for your 9th grade year:

Academic Goals:

1. **Maintain Good Grades:** Aim to achieve strong grades in all your subjects. This sets a solid foundation for the rest of your high school career.
2. **Develop Effective Study Habits:** Establish a consistent study routine, utilize a planner or calendar, and find the study techniques that work best for you.
3. **Improve Time Management:** Balance your academic workload with extracurricular activities and personal time. Prioritize tasks and avoid procrastination.
4. **Explore Different Subjects:** Use this year to discover your interests by engaging fully in all your courses. This can help you decide on future electives and career paths.

For Families:
Your support and involvement are crucial to your child's success in high school. Here are some ways you can help:

1. **Stay Informed:** Keep up with school communications and stay engaged with your child's progress. Attend parent-teacher meetings and school events.
2. **Encourage Independence:** While your child will need your support, it's also important to encourage them to take responsibility for their learning and time management.
3. **Foster Open Communication:** Maintain an open line of communication with your child. Listen to their concerns and celebrate their achievements.
4. **Support Well-Being:** High school can be a time of stress and change. Ensure your child has a balanced lifestyle, including time for relaxation and hobbies.

We are here to support both students and families every step of the way. Our dedicated teachers, counselors, and staff are committed to providing a safe and nurturing environment where every student can thrive.

Please do not hesitate to reach out to us with any questions or concerns. You can reach me at euridio.evora@student.bostonprep.org or at 617.224.6099. We look forward to a fantastic school year and to witnessing the incredible accomplishments of our 9th grade class. Welcome to high school!

Warm regards,

Euridio Evora
Assistant Principal
Boston Prep Charter High School
