2024 – Renewing Our Commitment to Growing God's Kingdom

(Continued….)

DUMC has an active Kids and Youth Ministry with more than 48 children and youth attending Sunday School, retreats, mission trips, and more. The number of children and youth participating has grown more than 20% over the last year.

We have a Caring Ministries team that extends the love of Jesus Christ throughout our community and world by helping at-risk people in our community, as well as giving to Christ-centered international programs. The team also offers support to hurting people through prayer, cards, visitation, and our *GriefShare*© and *DivorceCare*© programs.

Our musical programs spread Jesus' word while soothing our souls and hearts through our talented Children's, Youth, and Adult Choirs, handbells, and various musicians.

Finally, members of our numerous committees spend countless hours meeting throughout the year and strategizing plans to keep DUMC operating efficiently and effectively.

As we count our blessings, please keep in mind that to keep our church thriving, we continue to need your financial support. As we kick off 2024, please prayerfully consider renewing your financial commitment to DUMC. The sharing of our time, talents, and treasures empowers us to grow God's Kingdom. We are His "hands and feet" as we spread the message of love and support to one another, the community, and the world.

We encourage you to respond by completing and returning the enclosed pledge commitment card by Sunday, **January 28, 2024**. This will help our finance committee plan for the upcoming year. You can include your name or complete it anonymously, this is a commitment between you and God. Please return your pledge commitment card when you attend Sunday's service. You can drop it in the offering plate or box at each service, or you can mail your commitment card to:

Doylestown United Methodist Church
ATTN Pastor Sunil Balasundaram
320 E. Swamp Road
Doylestown PA 18901

Again, the commitment cards will be used for budget-planning purposes only.

With prayers and blessings for the New Year, we can look to how our awesome God will multiply his generosity through you!

David Merrick
