

Fifth Grade PLC To Do List:

Before the next PLC...

- ❑ 1. Teach the first digital citizenship lesson: "Finding My Media Balance" from the fifth grade curriculum (both fifth and sixth grade will be doing the fifth grade curriculum).

Once you have an account on the website, to access the lesson- click the educators tab, hover over digital citizenship and move down to "find a lesson". Then click New Lessons for 3-5.

Alternatively, you can just click this link:

<https://www.common sense.org/education/digital-citizenship/curriculum> and scroll down to the first lesson in fifth grade curriculum if that is easier for you.

- ❑ 3. Share this link with your students.
**REMINDER: DO NOT use the quiz on the Common Sense website...if you do, we will not be able to collect the data for this first lesson. :)
