Adult Kingdom Servants needed for Youth

(Continued….)

Fusion: Do you like teaching in a discussion-based learning environment? Join the Fusion team! The hope is for each team to teach a month at a time. We would like to have enough teams so each team would only teach 3 months a year (3 teaching weeks per month on average). The curriculum is provided and sent to you in advance.

Elevation: Come hang out with us on Sunday nights! Elevation is a high energy evening of games, hangout time, teaching, and small groups. We are looking to have more small group leaders involved, but it's not a requirement.

Fundraising team: Do you like brainstorming and implementing fundraisers? Come join our fundraiser committee. Every year, we need loads of help with fundraisers for our summer mission trip.

Planning team: We could really benefit from more help to plan the youth ministry quarterly calendar. We're always looking for fresh ideas on events and general planning, especially as spring approaches and we begin thinking about the summer schedule.
