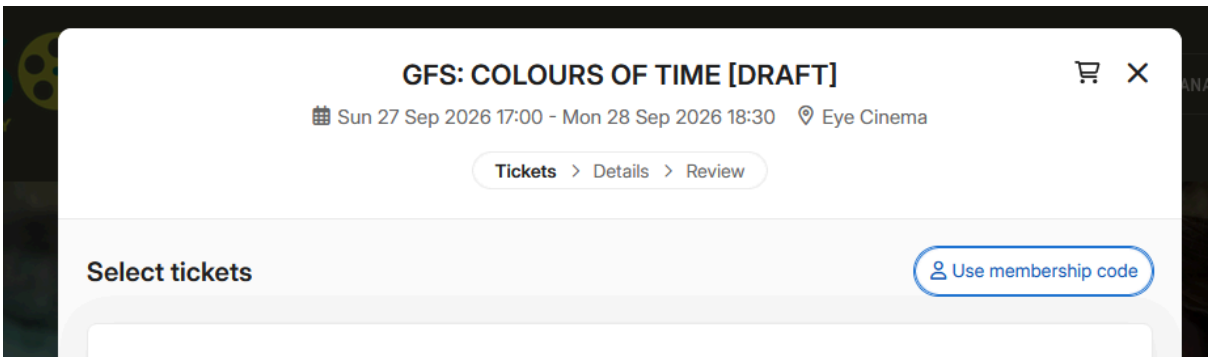
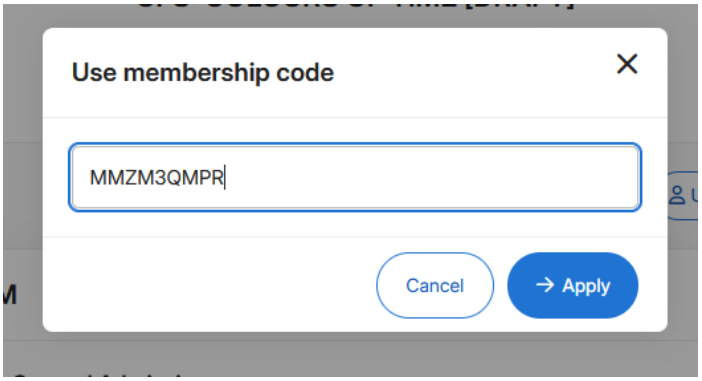
SEASON TICKET GUIDE

1. When you purchase a Season Ticket, you will receive an email titled “your membership”, which includes a QR code and a code made of letters and numbers. **Keep this email handy!**

2. The Season Ticket **does not automatically book you into every week’s screening** – you will have to select your preferred screening for each week. In order to do this, go to the film’s event page. For example, this one. Click the “Select Tickets” button.

3. A window will pop up with a blue button at the top that says “Use membership code”. Paste your unique membership code and hit “Apply”





4. A free ticket option will appear for each of the three screenings. Select your preferred one by clicking the “+” symbol. Press “Checkout” to book, and you’re done!

You can also click “Add to cart” if you want to add future screenings to the same transaction.
