BookHistodons: Book History Researchers, Educators, and Postgraduate Students on Mastodon

This is a list of self-submitted information about Book Historians on the social network Mastodon, created to help us find each other on a growing social network.
It was created by Stephanie J. Lahey @SJLahey@mastodon.social, based on the bibliocloud.net created by Konrad M. Lawson @konradlibrocat.coop.

Click here to add yourself to this list via the google form
