Equipment and resources St John's Walworth.

We have a considerable amount of furniture, fixtures, fittings and teaching resources available following the closure of St John's Walworth primary school at the end of last summer term, that we are really keen to recycle/repurpose. Items include: tables, chairs, a wide range of musical instruments – most of which are in very good condition and ready for use by children in other schools. There are also significant amounts of stationery/books/consumable items which will no doubt be useful. Photos of the item can be found here https://drive.google.com/drive/folders/1sO1ruF4gR9ivHjM6Uxb1sS_uOd83CV1?usp=sharing
