About Dr Kritikha:

Dr. Krithika Jagadish, is a charismatic Plastic surgeon who has completed her surgical training from the prestigious St Johns National Academy of health Sciences, Bangalore. She is a Member of The Indian Association of Aesthetic Plastic surgeons (IAAPS) and the International Society of Aesthetic plastic surgeons (ISAPS). She is adept in body contouring procedures and adopts the latest techniques to tailor the procedure to individual patient preferences. She has a keen interest in hair restoration procedures and has been trained by doyens in the field. She is a dedicated burn surgeon who is skilled in handling critical burns patients. Her prowess also extends to their rehabilitative therapy by correction of the secondary deformities that occur as a sequelae of burns. An astute clinician with a compassionate demeanour, she is well received by her colleagues and patients alike due to her kind and approachable nature.
