Meet the Homework Club Tutors!

Cesar Cardona '25

He/Him;

Las Cruces, NM

- Speaks English & Spanish
- Major(s): Pure Mathematics & Physics
- Loves: jazz, chess, Sudoku, cooking
- Study tip: Be kind to yourself:)

Taylor Klinger '26

She/Her

- Cornelius, NC

- Speaks English
- Major: Human Physiology (pre-med)
- Loves: figure and synchronized skating
- Study tip: Active studying (practice and 'blurting'/rewriting from memory) is more productive than passive studying (just reading notes or watching videos).

Jay LoMonaco '24

They/Them - Chester, CT

- Speaks English & French
- Major(s): Astronomy and Physics
- Loves: video games, Doctor Who, Pokemon, bassoon
- Study tip: Learning HOW you study best can be as important as the actual studying! Give yourself space to find what works best for you.

Simran Singh '25

She/Her - Plymouth, MA

- Speaks English, Hindi & Spanish
- Major(s): Neuroscience and Computer Science
- Loves: reading, swimming, singing, medicine, technology, neuropathy, drawing
- Study tip: Stop light method! Categorize concepts by marking them green (100% mastery), yellow (some confusion) and red (no idea what's going on!)

Sarah Tayeh '26

She/Her - Agawam, MA

- Speaks English
- Major: English. Minor: Psychology
- Loves: reading, writing, going for walks, hanging out with friends
- Study tip: Making a to-do list of all your assignments can help you stay organized. Remember that it is okay to ask for help!
