\*Attendance in summer classes requires enrollment in full-time OU credits (12+ credits), uses one semester of scholarship eligibility and counts toward the renewal semesters. Academic performance will be reviewed at the end of the summer semester to determine if the student is eligible for scholarship renewal for the following fall semester. If the student does not complete full-time (12+ credits) and/or meet the GPA requirement for renewal, the award(s) will be canceled for any remaining semesters at OU.
